### "IT STARTS IN PARKS" WHAT IS IT?

The "It Starts in Parks" slogan was first developed through a partnership between the National Recreation and Park Association and Sports Illustrated intended to identify the top "sports towns" across the United States.

"It Starts In Parks" is an initiative of the Florida Recreation and Park Association intended to better position parks and recreation in the future to be recognized and supported for the important benefits and services provided by the profession, to citizens of and visitors to the State of Florida. The intended outcome of the initiative is that people in the state of Florida will know, value and support the profession of parks and recreation.

### C.A.P.A.: CHILDREN AT PLAY AWARENESS

Communities across the nation have wrestled with traffic and speed issues along neighborhood streets in an effort to preserve and enhance quality of life and also protect those "littlest citizens" that are busy at play in their front yards. Children awareness (C.A.P.A.) is a program offered by the City of Coral Gables to allow parents and/or caregivers the ability to purchase and place authorized City-issued signs in the ground area of their property while children are actively playing in the front yard. Coral Gables residents may purchase two "Children At Play" signs by visiting the Coral Gables War Memorial Youth Center at 405 University Drive, Monday through Friday, 8:00 a.m. - 8:00 p.m. The cost of the signs is \$6.50/per sign. Each City-issued sign is numbered for verification purposes.
