To: Planning and Zoning Board Members

From: Planning Department

Date: May 13, 2009

Subject: **Zoning Code Text Amendment – Country Club.** An Ordinance of the City of Coral Gables amending Zoning Code Article 4, Section 4-204, “Special Use (S) District” and Article 8, “Definitions”, providing for a “Country Club” use classification and definition thereof, providing severability, providing for codification thereof, and providing for an effective date.

Recommendation

The Planning Department in association with the Building and Zoning Department recommends approval of various amendments to Zoning Code Article 4, Section 4-204, “Special Use (S) District” and Article 8, “Definitions”, providing for a “Country Club” use classification and definition thereof, as provided herein and in the attached Ordinance (see Attachment A).

Background

Currently, the Zoning Code does not include a specific use classification or definition for “Country Club”. The Building and Zoning Department has requested that the Code be amended to include provisions for country clubs similar to other uses which are zoned “S”, Special Use. Other similar uses include schools, churches, hospitals and municipal facilities. Those uses are identified and included in Section 4-204, “Special Use (S) District” of the Zoning Code.

All Zoning Code text amendments require review and recommendation by the Planning and Zoning Board and approval by the City Commission in ordinance form at two public hearings. Amendments to the existing provisions of the Zoning Code provided herein, and in the attached Ordinance (see Attachment A), are shown in ~~strike thru~~ / underline format.

Building and Zoning Department Staff and the City Attorney’s Office will be available at the meeting to address any questions the Board may have and secure further input.

- A. *Purpose and applicability. The purpose of the Special Use (S) District is to provide a zoning classification which accommodates uses which have the potential of adversely impacting adjacent uses but which enhance the quality of life of the citizens of City.*
