7.	01 07 09	Katharin Westie & Fred Tasker 510 Madeira Avenue Coral Gables, FL 33134	X		Do no want <u>duplex</u> homes/multi-family homes built on our street/residential neighborhood. I understand that some were 'grandfathered' in – but do we need to build more? If a duplex must be built – it should be the lot <u>on</u> Le Jeune. BUT PREFER <u>NONE??</u>
8.	01 08 09	Angie Herrera Mailing Address: P.O. Box 260185 Miami, FL 33127	X		We do not object to the single family but seriously object to any form of multi-family dwelling which will motivate rental resident who do not adhere to the City ordinances and restrictions. It also promotes a more transient profile of residents.
