

Coral Gables

A Guide to The City Beautiful

The City Beautiful

Coral Gables, a rare pearl in South Florida, is known for its lush, green spaces, wide avenues, beautiful fountains and exquisite Mediterranean style architecture.

The city's founder, George E. Merrick, envisioned a 'City Beautiful'—a coveted residential community and vibrant downtown designed as a fully integrated ecosystem, akin to a 'Garden City.'

Introduction

Welcome to the City of Coral Gables' Guide to the City Beautiful. We've highlighted the city's achievements, initiatives and future plans, showcasing our unwavering commitment to excellence and community well-being. As we celebrate our centennial, this milestone marks a century of progress, tradition and innovation. Through innovative projects, sustainable practices and a dedication to maintaining our unique charm, Coral Gables continues to set itself apart as a vibrant, forward-thinking city. Our competitive advantage lies in our ability to seamlessly blend tradition with modern living, offering an unparalleled quality of life and a thriving environment for businesses and residents alike. Dive in to discover why Coral Gables is not just a city but a business community that truly shines.

Why Coral Gables?

By choosing Coral Gables, these companies found more than just a business location; they've discovered a community that fosters innovation, collaboration and growth. Here are some of the city's unique advantages from the companies that call it home.

“Coral Gables is a nationally recognized and business-friendly city that will enable us to continue to attract and retain the best talent, and we look forward to calling it our new home next year.”

ROBERT SANCHEZ, Chairman and CEO, Ryder

“The value the city places on sustainability is very important as it is the foundation of Fresh Del Monte.”

CLAUDIA POU, Vice President, Global Head of Corporate Communications, Fresh Del Monte

“Coral Gables is a beautiful city with the best combination of location, facilities and environment.”

JORGE MARTINEZ, Director of Finance and Administration-Latin America and General Manager-Central America and the Caribbean, Terumo

Mobility

Air, Land, Sea, Trolley & Freebee

Whether traveling for business or pleasure, Coral Gables welcomes more than 500,000 tourists annually contributing approximately \$360 million dollars to the local economy.

The City is centrally located with easy access to key destinations. Coral Gables is a short drive from Miami International Airport and PortMiami, two of the largest passenger and cargo hubs in the nation. A free vintage-style trolley connects many of the commercial districts to Metrorail, the region's elevated rapid transit system that connects the city to Downtown Miami in just minutes.

The City of Coral Gables has partnered with Freebee, a fun and innovative electric vehicle shuttle service, to provide free, on-demand rides throughout Downtown Coral Gables and beyond.

An average of
1,000,000
trolley riders a year

The city also boasts
10,000
parking spots downtown

Real-Time Data

Use the trolley tracker to view routes and maps, check times and see exactly where each trolley is. The tracker also lets you check the current capacity, ADA accessibility and bike rack availability.

Municipal Services

The Police Department holds the CALEA (Commission on Accreditation for Law Enforcement Agencies) Accreditation, the gold standard rating for law enforcement agencies. This is the highest possible rating from the national accreditation organization. Response times for the police department are the fastest in the county of any city our size.

>3 Min
for police response to
priority calls

5 officers per
1,000 residents

As we continue to attract more businesses, we are proactively preparing for the future by adding five officers to the downtown unit for the next two years. The Fire Department has the fastest response time in the county and stands as a leader in innovation being the first in the county to electronically transmit a patient's heart rhythm from the scene, directly to the cardiologist waiting at the ER. The department is now working on offering blood transfusions at the scene of the incident - providing critical care long before the patient gets to the hospital.

Coral Gables Fire Station

Educational Opportunities

Higher Education

The University of Miami is a private research university and academic health system with a distinct geographic capacity to connect institutions, individuals and ideas across the hemisphere and the world. The university's vibrant and diverse academic community comprises 12 schools and colleges serving more than 19,593 undergraduate and graduate students in more than 380 majors and programs.

Also located in the city is Northwestern University's prestigious Kellogg School of Management Executive MBA program. In 2022, Coral Gables was ranked as the 11th best small college area to live and study in the September edition of *University Business*.

K-12 Education

The schools in Coral Gables are among the best in the nation. Within or just outside the city limits are two public high schools, two public middle schools, two public K-8 schools, four public elementary schools and one charter elementary school, with all but two receiving an A rating, the highest on the Florida Department of Education's assessment scale. Several schools have been designated Blue Ribbon Schools of Excellence by the U.S. Department of Education, the highest honor for American schools. Additionally, two middle schools have earned the Magnet Schools of America Merit Award for Excellence, with one recognized as one of the top nine magnet schools in the U.S. For a list of all schools, visit www.coralgables.com/schools.

Business-Friendly Environment

Coral Gables is recognized for its commitment to enhancing its business-friendly environment. With its wide sidewalks and open-air environment, we have seen internationally, nationally and locally renowned restaurants and retailers flock to the City Beautiful.

The city’s ombudsman provides one-on-one assistance to residents and small business owners. In addition, he addresses concerns regarding permitting, building applications, building codes, special requirements and other matters to facilitate and resolve issues.

Permitting Assistance Program

The Permitting Assistance Program (PAP) offers qualifying companies additional assistance and expert guidance prior to submitting plans. After submitting plans, companies can check in with the city’s ombudsman for updates and clarifications on comments made by reviewers. Each project is assessed case-by-case based on the level of economic impact and need for permitting assistance. Our goal is to assist new-to-market and existing/expanding companies with securing timely permits that will result in a materially positive impact on job retention and creation, as well as significant capital investment in Coral Gables.

Corporate Capital of the Americas

The Coral Gables economy is comprised of local and international businesses but unlike other parts of Florida, it is not influenced by seasonal shifts. Because of its strong municipal services, high quality of life, convenient access, responsible growth and diversified economy, Coral Gables continues to be a highly desirable location for domestic and international investment.

A Coral Gables address means being at the center of a dynamic business ecosystem. The city serves as a gateway to Latin America. In fact, most of the city’s multinational companies serve as the headquarters for Latin America and the Caribbean. Among the industries found in Coral Gables are wealth management, health care, biomedical research, technology, spirits, travel and tourism. and real estate.

Coral Gables is the only city in Miami-Dade County with:

3 “AAA”

bond ratings from Fitch Ratings, Standard & Poor’s, and Moody’s.

Vibrant Downtown

Community and Convenience

Night and day, the city’s downtown is bustling with pedestrians who have easy access to hundreds of restaurants and an abundance of shops, many within walking distance of the downtown business district.

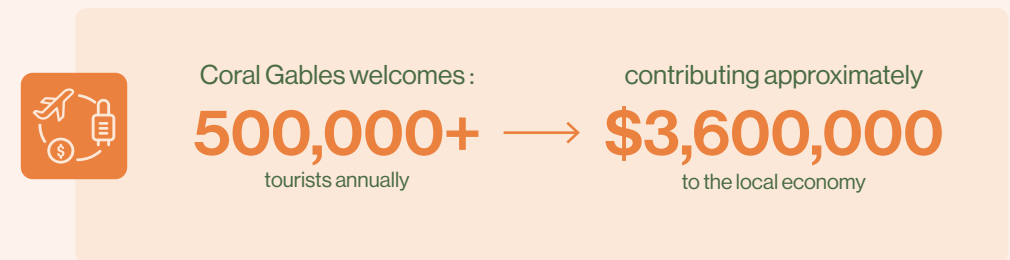

Downtown Coral Gables has been reenergized with the completion of a streetscape project on Miracle Mile and Giralda Plaza, the city’s central shopping and dining areas. On Miracle Mile, improvements include an artistic design using pavers, widened sidewalks to accommodate outdoor dining, beautiful landscaping with unique seating areas and a curbless street. On Giralda, unique paver designs, a focal lighting system and a curbless street add to the outdoor dining ambiance.

Shopping & Dining

Coral Gables is a renowned destination for shopping and dining. The famed Miracle Mile, Giralda Plaza and surrounding downtown streets are filled with European-style outdoor restaurants and boutiques, providing an enjoyable tropical shopping and dining experience.

A renowned culinary destination, Coral Gables boasts several highly acclaimed Michelin-starred restaurants, headed by James Beard awarding-winning chefs. The popular district is home to four recently crowned Michelin Bib Gourmand restaurants. Just a few minutes away, fashion and style come to life in the city at the Shops at Merrick Park, a shopping and lifestyle center anchored by luxury retailers.

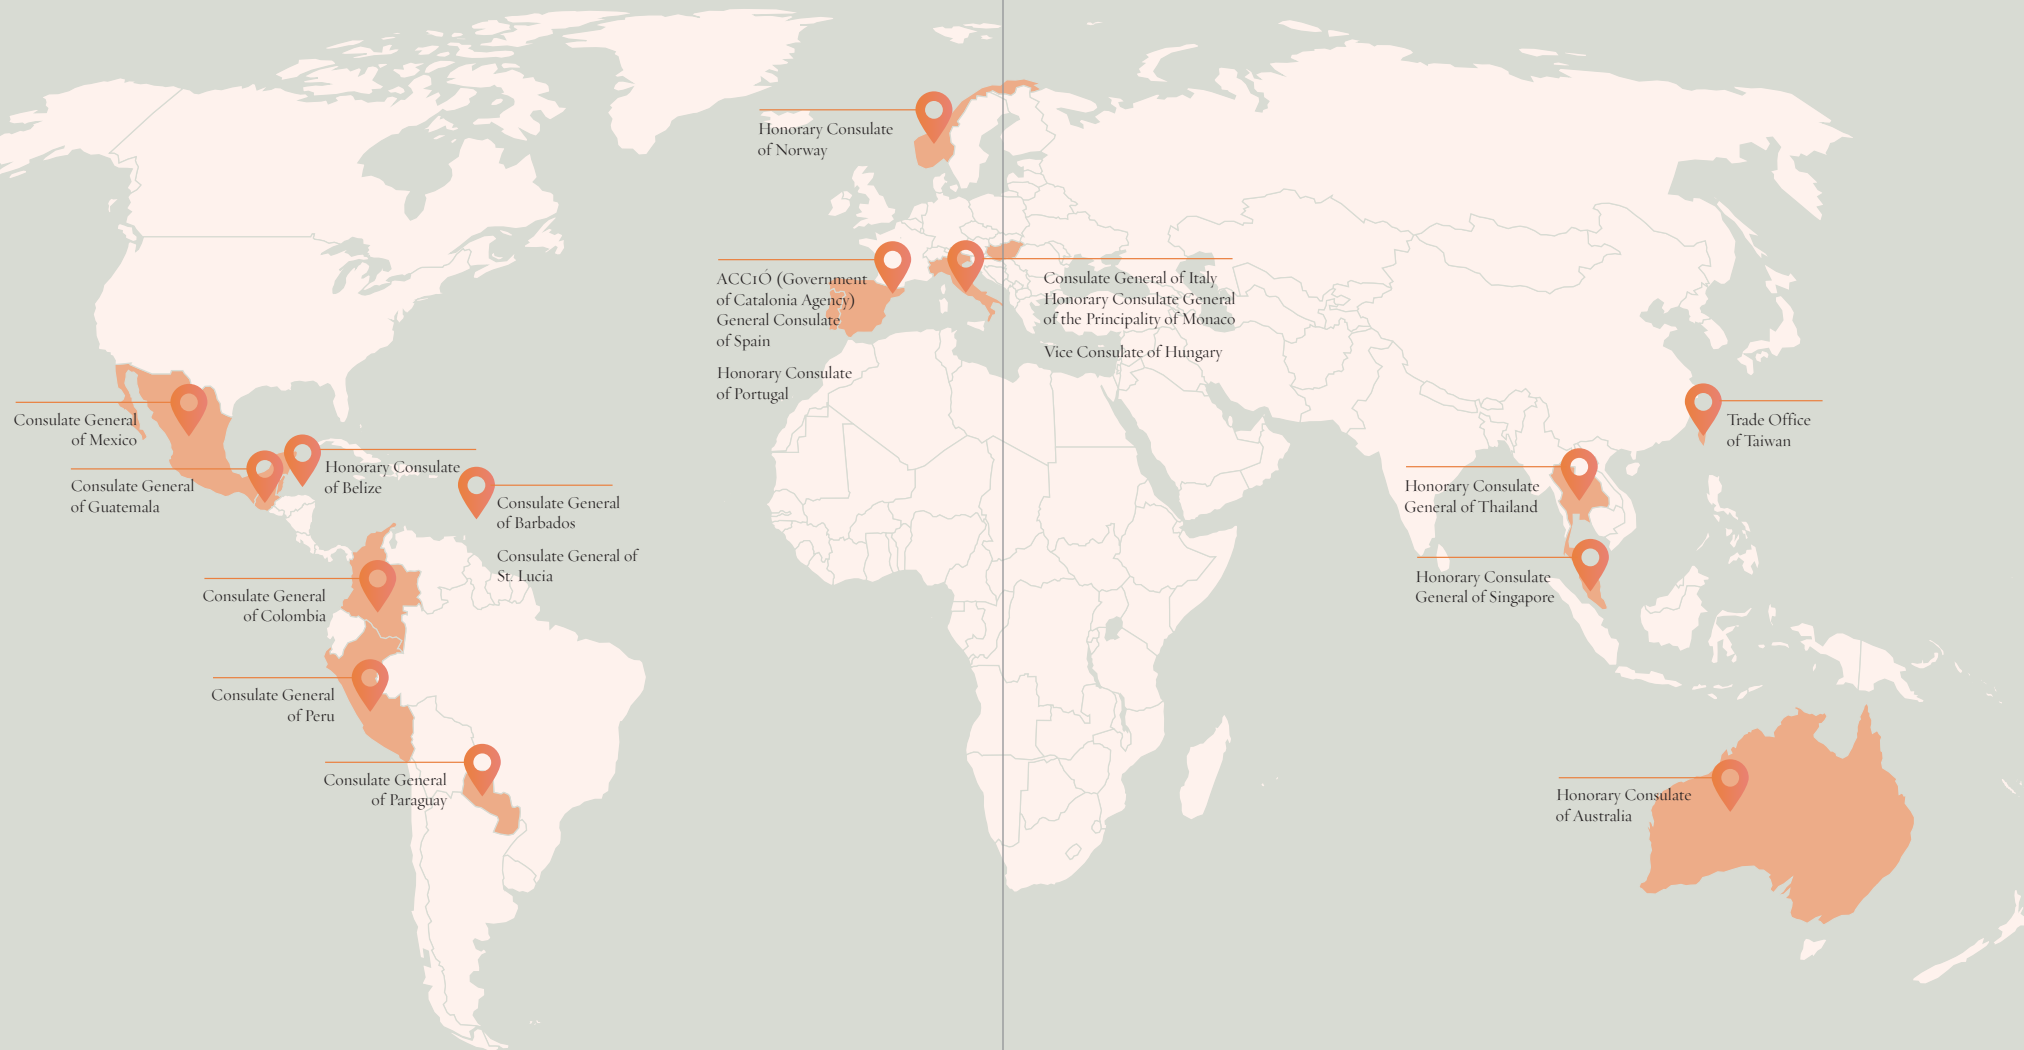

Center for Foreign Consulates and International Relationships

A number of foreign government offices have chosen a Coral Gables address. Aside from consulates, many countries have also opened their trade offices and cultural institutions in the city.

Global Connectivity

Virtually every piece of equipment in Coral Gables, from free public Wi-Fi to traffic sensors, is part of an interconnected network that allows the city to best serve businesses through constant real-time information.

The City of Coral Gables won First Place in the 2023 Government Experience Awards presented by the Center for Digital Government and GovTech / eRepublic. In addition, the city earned the title of one of the world's "Top 7 Intelligent Communities of the Year," awarded by the Intelligent Community Forum (ICF). In 2024, ICF also named the city as one of the world's Smart21 Communities.

The city is working to continue to expand its fiber and broadband infrastructure to provide tech companies with access to secure reliable communications furthering its goal

Free Wi-Fi

In every locale where a public smart kiosk (IKE kiosk) is situated including Ponce de Leon, Biltmore Way, Miracle Mile, Giralda and Alhambra there is an additional complimentary public Wi-Fi hotspot, enhancing the expansive coverage already provided by the City's public Wi-Fi network in these vibrant areas.
