- c. Declarant B hereby covenants and agrees for itself (and its heirs, successors, personal representatives and assigns, and upon all mortgagees and lessees and others presently or in the future having any interest in the properties) that it shall report any unplanned changes in the facts related to the application or approved

- h. That this Declaration is intended and shall constitute a restrictive covenant concerning the use, enjoyment, and title to the above properties and shall constitute a covenant running with the land and shall be binding upon the Declarants, including their successors and assigns and may only be released by
