The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to City of Coral Gables, Florida for its annual budget for the fiscal year beginning October 1, 2023.

In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to the GFOA to determine its eligibility for another award.

The City Beautiful

Dear Honorable Mayor and Members of the City Commission,

I am pleased to present the City's FY 2024-2025 Budget, which marks a significant milestone as our city celebrates its centennial year. This budget reflects our ongoing commitment to fiscal responsibility and infrastructure investment while furthering our mission "to honor our history by providing exceptional services that enhance the quality of life for our community".

Our approach to developing this budget ensures that we focus on the city's strategic goals to achieve its mission, vision and values.

Financial Excellence

This budget maintains the millage rate of 5.559 for the 10th year, demonstrating our dedication to maintaining fiscal integrity and stability while continuing to provide essential services to our residents.

The July 1st Property Valuation of \$24.57 billion represent an increase of 8.5% and result in a \$10.06 million increase in property tax revenue. This budget also includes the reduction in the residential waste fee proposed and adopted by the City Commission in May.

Public Safety

Continuing our commitment to Public Safety, this budget includes investments in both Police and Fire programs and equipment, as well as additional staff in the Police Department to support the body worn camera program and Crime Intelligence Center. This budget also adds 5 Police Officers and 5 Firefighters for the last year of a three-year plan to add fifteen Police Officers to staff the Downtown Unit and fifteen Firefighters to staff Fire House 4.

Investment in Facility Operations and Capital Infrastructure

Continuing our efforts towards improving the city's facilities and infrastructure, this budget allocates significant resources to facilities and infrastructure projects. Key initiatives include:

- Renovation and maintenance of historic city facilities, including City Hall, Merrick House, Alhambra Water Tower, and the Venetian Pool.
- Continued development, maintenance and expansion of our parks and recreational areas including Phillips Park, and William and Leona Cooper Park.
- Reinforcing technology and cyber security systems.
- Enhancements to our sanitary sewer and stormwater systems.
- Improvements to our right of ways and transportation, including citywide traffic calming program, and sidewalk installation and repairs.
- Maintenance and improvements to parking lots and garages, as well as investments in the trolley transportation system.

These projects are essential to maintaining the quality of life in our city and ensuring that we remain prepared for future growth.

Fiscal Year 2024-25 Budget
City Manager's Budget Message

Workforce Excellence

Working towards the goal of attracting and retaining a competent and cohesive workforce, this budget reflects the negotiated increases in salaries and benefits for Fire and Police staff and planned for the successful negotiation of a bargaining agreement for our general employees, subsequently ratified by the City Commission on October 8, 2024.

Process Excellence

FY 2024-2025 is the last year of the city's three-year strategic plan, to ensure that we continue to plan for the city's future and remain on our journey towards performance excellence, this budget includes an update of the strategic plan which will include input from all stakeholders. This budget also includes improvements to increase efficiency in our budget development and financial planning technology.

Community and Customer Focused Excellence

Enhancing the city's ability to respond to and support the community, this budget includes added staff to support solid waste collections, Innovation Technology customer support, code enforcement, parking enforcement, and procurement.

This budget also includes increased funding for community programs and events including enhancing holiday decorations, Christmas Park, and the menorah lighting event.

As we celebrate our 100th anniversary, this year presents a unique opportunity to strengthen community bonds and foster a sense of belonging. Various events and projects are planned to commemorate this milestone, encouraging civic engagement and community pride.

Conclusion

This budget is a testament to our collective efforts and strategic planning. It addresses immediate needs while laying the groundwork for continued community well-being. As we embark on this centennial year, let us reflect on our achievements and look forward to a future filled with opportunity.

I extend my gratitude to the City Commission, city staff and our community members for their ongoing support. I would like to specifically acknowledge the personal efforts of Alberto N. Parjus, Deputy City Manager, Joe Gómez, Assistant City Manager, Diana M. Gomez, Finance Director; Paula A. Rodriguez, Assistant Finance Director for Management, Budget and Compliance, Pedro Sanchez, Senior Management and Budget Analyst, Christopher Garcia, Management and Budget Analyst II, Ivan Baez, Management and Budget Analyst II, Elsy Fuentes, Internal Audit and Grants Coordinator and Anamy Garcia, Grants Coordinator for their hard work and commitment to the budget process and the preparation of this budget.

Together, we will continue to make our city a great place to live, work and celebrate.

Sincerely,

Amos Rojas Jr.
City Manager

FISCAL YEAR 2024-2025

BUDGET IN BRIEF

The FY 2024-2025 Budget beginning October 1, 2024, through September 30, 2025, was submitted on July 1, 2024, in accordance with the requirements of Article V of the City Charter and was presented at a Commission workshop on Wednesday, July 10, 2024, at 9:00 AM. State law requires that two public hearings be held in September to officially adopt the budget. The hearings were held on Thursday, September 12, 2024, and Tuesday, September 24, 2024, both at 5:01 PM.

FINANCIAL AND PROCESS EXCELLENCE

The FY 2024-2025 Budget is the final year of the 3-year Strategic Management Plan updated in FY 2022-2023. The plan captures the programmatic and budgetary priorities of the City Commission with supporting action plans and performance measurements. The strategic planning process ensures that remain focused on achieving our Vision to remain a “world-class city with a hometown feel.”

The city’s budgeting approach which focuses on the city’s strategic goals and objectives has proven successful, evidence of this is the city’s ability to navigate turbulent years with limited impact of essential services to our residents, businesses, and visitors. The results in a comprehensive budget that addresses the city’s needs while ensuring that Coral Gables stays on a financially sustainable track.

To ensure that we continue to plan for the city's future and remain on our journey towards performance excellence, this budget includes an update of the strategic plan which will include input from all stakeholders. This budget also includes improvements to increase efficiency in our budget development and financial planning technology.

BUDGET OVERVIEW

The Annual Budget is a financial plan and management tool that guides the city and each department for the upcoming fiscal year. The budget contains projected as well as comparative financial information with prior year budgets, as well as actual revenues and expenditures. The comparative data helps to analyze trends of the financial operations of the city.

The city has had significant success in the accuracy of its revenue projections, as well as the enforcement of sensible spending practices. These successes extend to the city’s collective bargaining negotiations for all three bargaining units as well as the continued implementation of the pension unfunded liability pay down program. On the capital side, well thought out investment aimed at maintaining and improving the city’s capital infrastructure continues to be deliberate and steady.

The FY 2024-2025 Budget represents a balanced approach that carefully manages our increased revenues with necessary operating and capital expenditures. It also ensures that Coral Gables maintains, and wherever possible, enhances services and quality of life for our residents, businesses, and visitors.

REVENUES

Operating revenues are estimated to be \$265.89M, a total increase of \$14.54M or 5.79% compared to the FY 2023-2024 Amended Budget operating revenues of \$251.35M. While revenue categories including property taxes, investment earnings, franchise fees, permit fees, utility fees, and certain service fees are estimated to increase. The increases are offset by estimated decreases in refuse collections fees, transportation sales tax and intergovernmental revenues which includes grants and appropriations.

The following table summarizes estimated increases and decreases by revenue categories:

TOTAL	\$ 265.89	\$ 14.56	5.79%

Property Values

Property values remain strong and have experienced substantial increases over the past three years. The 2024 July 1st Preliminary Property Taxable Values for the city are \$24.57B, an increase of 8.5% over the 2023 tax year values of \$22.64B. The total taxable value is comprised of \$24.30B for existing property and \$268M for new construction. Historically, the city’s property values experience annual increases of 4% to 5% per year; the City has experience significantly higher increases to values over the last three years however it is anticipated that future property value increases will return to rates more in line with years prior to 2022.

The taxable property values are used to estimate the FY 2024-2025 Property Tax revenue which represents 48.9% of the city’s operating revenue. The estimated taxable property value of \$22.64B generates \$129.94M in property tax revenue to the city, an increase of \$10.19M from FY 2023-2024.

The FY 2024-2025 Budget maintains the millage rate (property tax rate) of 5.559, the same rate as Fiscal Year 2023-2024. This will be the tenth consecutive year the city has maintained the same millage rate.

Other Revenue Categories

Increases in revenue categories other than Property Tax revenue total \$12.09M, including \$3.5M in Permit Fees, \$4.93M in Investment Earnings, \$900K for Utility Service Taxes, \$800K in Parking Fees, \$636K for Franchise Fees, \$214K for Sanitary Sewer fees, \$290K for Rental and Concessions, and \$160K in other revenues.

Revenue decreases total \$7.73M, including most notably \$3.57M in refuse collection fees resulting in the reduction in residential solid waste collection fees proposed and adopted by the Commission in May 2024.

Other decreases are primarily made up of onetime items included in the FY 2023-2024 Amended Budget that are not recurring in the FY 2024-2025 Budget including \$1.67M in Intergovernmental primarily made up of grants.

EXPENDITURES

The total operating, capital and debt service budget for FY 2024-2025 is \$279.06M, a net decrease of \$71.1M or 20.3% compared to the FY 2023-2024 Amended Budget of \$350.17M.

The table below provides a comparison of expenditures for the FY 2023-2024 Amended Budget and the FY 2024-2025 Budget:

FY 2024-2025 BUDGET				
(in millions)				
Budget Year	2023-2024	2024-2025	Increase/	%
	Amended Budget	Budget	(Decrease)	Change
Operating	\$ 213.19	\$ 226.48	\$ 13.29	6.2%
Capital	125.96	41.56	(84.39)	(67.0%)
Debt Service	11.02	11.02	(0.00)	(0.0%)
Total	\$ 350.17	\$ 279.06	\$ (71.10)	(20.3%)

The FY 2023-2024 Amended Budget includes significant prior year reappropriations that skew the differences between the two fiscal years. Prior year reappropriations consist of nonrecurring (one-time) revenues and expenditures that are not repeated in the FY 2024-2025 Budget. Similarly, balances for projects not completed by the end of FY 2023-2024 will be reappropriated during the first quarter of the new fiscal year. These projects include the Sanitary Sewer Force Main Replacement Program, Sea-Level Rise Mitigation Program, facility repairs and improvements, parks repairs and improvements, and Sanitary Sewer and Storm Water improvements. A more accurate comparison of the delta between the two years requires that the FY 2023-2024 Amended Budget be adjusted to remove the reappropriations.

The overall decrease of \$71.1M includes reappropriation of \$86.1M for one-time or multi-year prior year capital improvement projects and \$18.1M of one-time operating projects or purchases. When considering the reappropriations the actual change in the total operating, capital, and debt service budget results in a \$33.1M increase.

Operating Expenditures

Operating expenditures are estimated to increase in total by \$31.7M or 14.9% compared to the FY 2023-2024 Amended Budget less reappropriations of prior year and multi-year projects and programs. Operating expenditures included in the FY 2024-2025 Budget are primarily those needed to ensure the continuation of existing services, programs, and projects; additions to the budget expenditures for new or enhanced programs such as the final year of a staffing plan for the police downtown unit (total of 15 over 3 years) and fire fighters to staff Fire House 4 (total 15 over 3 years), enhancements to technology and cybersecurity, community recreation programming, code enforcement, and public works services.

The following table summarizes the changes in operating expenses by category from the FY 2023-2024 Amended Budget to the FY 2024-2025 Budget:

Fleet Equip Replacement & Additions	4.14	2.90	61.2%
Total Other than Personnel Services	\$ 74.81	\$ 19.76	27.0%
Total Operating Expenditures	\$ 226.48	\$ 31.34	14.7%

This estimate includes an increase of 8.3% in the cost of personnel services. Salary increases include annual merits, cost of living adjustments implemented for existing collective bargaining agreements negotiated with our Fire and Police staff, and 25 new full-time positions included in the budget.

Retirement costs are increasing by \$361K due to the annual 1.25% additional pension payment indexing of \$380K. Health insurance is increasing by \$1.2M for the projected increase to premiums, as well as additional premiums for new positions included in the budget.

Expenditures other than personnel services are estimated to increase overall by 27%. Professional services increase of 13.8% includes increases to service contracts for janitorial, tree trimming, landscaping, electrical, and plumbing services. parts, supplies & information technology maintenance subscriptions increase by 82.4% and includes significant increases for inflation in cost of information technology software and hardware maintenance contracts. While the local inflation rate of approximately 2.7% is down from 9% the same time last year, it remains to be one of the highest in the nation. The impact is experienced in the significant cost increases to service contracts.

Equipment additions and replacements increased by \$635K. The increase is primarily made up of \$386K for a police boat, and \$110K for parking violation equipment. Decreases in the following expenditure categories of Fleet Equipment Replacements & Additions, Grants, and Intra/Inter Departmental Allocations reflect the elimination of one-time items that are not recurring in FY 2024-2025.

Personnel Positions

The FY 2024-2025 Budget increases the full-time headcount by 26 to 928 and reduced the part-time

headcount by 8 to 218 compared to the FY 2023-2024 Amended Budget of 902 and 226.

The full-time positions added to the headcount are:

- 5 Police Officers to staff the Police Department’s Downtown Unit
- 1 full-time Police CIC Monitor personnel converted from 1 part-time positions
- 1 Body Worn Camera Analyst
- 5 Fire Fighters to staff Fire House 4
- 2 Commission Liaisons converted from 2 part-time Commission Liaisons
- 1 Code Enforcement Field Supervisor and 1 Code Enforcement Officer
- 1 IT Customer Support/GIS Analyst II converted from 1 part-time Information Systems Analyst
- 1 full-time Procurement Specialist converted from 2 Part-time positions
- 2 Solid Waste Operator IIs and 3 Solid Waste Workers
- 2 full-time Parking Enforcement Specialist converted from 2 part-time positions

The table below shows the number of full-time positions over the last ten years.

Full Time Employee Classification Ten-Year Comparison				
FISCAL YEAR	POLICE OFFICERS	FIRE FIGHTERS	GENERAL EMPLOYEES	TOTAL
2016	192	139	498	829
2017	192	139	500	831
2018	192	139	506	837

2024	204	150	548	902
2025	210	155	563	928

The part-time positions added to the headcount are:

- 1 part-time Public Works Inspector for Right of Way and Solid Waste

The part-time full-time equivalent (FTE) count for FY 2024-2025 is 177.14 which translates to an approximate part-time headcount (number of bodies) of 218. The combined full-time headcount of 928 plus the part-time FTEs of 177.14 is 1,105.14. Whereas total headcount is 1,146 which is made up of 928 full-time plus 218 part-time.

Bargaining Unit Agreements

Three employee bargaining units represent employees in the city, Fraternal Order of Police (FOP), International Association of Firefighters (IAFF) Local 1210 and Teamsters Local Union 769. The status of each of the collective bargaining agreements is: The FOP agreement is in effect from October 1, 2023, through September 30, 2025, FY 2024-2025 is the final contract year. The IAFF agreement is in effect from October 1, 2020, through September 30, 2026, FY 2025-2026 is the final contract year. The Teamsters agreement is in effect from October 1, 2021, to September 30, 2024, FY 2023-2024 is the final contract year. This budget plans for the successful negotiation with the Teamsters, accepted and ratified in early October 2024.

Additions to the Budget

Each fiscal year, departments request new or additional funding to address increased cost to current service levels and enhance essential resident services. The funding requests are considered and prioritized based on available funding and the programs support of the city’s strategic goals, and operational needs while evaluating the ongoing budget impact. Although many well thought out initiatives are requested, available funds limited the funding of new initiatives.

The FY 2024-2025 Budget includes a total of \$8.67M in new or additional funding added to the operating budget and is comprised of \$3.79M one-time (non-recurring), \$4.44M ongoing (recurring), and \$.440M in limited (multi-year) initiatives.

Capital and Infrastructure

The city is committed to ensuring sustainable and expanded capital programs, city facilities, and infrastructure. Through the Capital Improvement Plan the city prioritizes funding of short-term and long-term capital improvement needs. The development of this plan is a coordinated effort between all departments, budget staff, and the Commission. The FY 2025-2029 Capital Improvement Plan included in FY 2024-2025 Budget furthers the city's commitment by funding many of the city's ongoing capital infrastructure needs and several one-time community priorities.

General capital projects are typically funded with city dollars from two sources: recurring revenues to cover the cost of the capital improvement matrices and planned one-time use of fund balance from both the General and Capital Improvement funds. These one-time funds are generally a result of balances generated by operating surplus from prior years and any surpluses from completed capital projects.

The city's goal has been to steadily increase the amount of recurring revenue transferred from the General Fund to the Capital Improvement fund. This goal has been met each year, except for FY 2020-2021 during which capital funding relied solely on prior year surplus. The FY 2024-2025 Budget funds 85% of the \$14.3M annual cost of the matrices with recurring revenues.

The FY 2025-2029 Capital Improvement Plan includes a significant investment of \$41.5M in capital infrastructure, in addition to \$3.6M for vehicle replacements in the operating budget. Key initiatives funded in the plan include:

- \$2.61M for restoration of historic facilities; including \$1.3M towards a multiyear restoration plan for the City Hall Complex
- \$4.78M for the renovation of Phillips Park
- \$2.26M funding for sidewalk replacement and installations
- \$1.32M for traffic calming
- \$10.15M funding project to improve the aging sanitary sewer and stormwater systems, including \$4.56M towards the city’s sea level rise mitigation program

The chart below shows the total funding in capital by project category.

Debt Service

The city’s total outstanding principal debt as of fiscal year ending September 30, 2024, will be \$106.8M. The FY 2024-2025 debt service budget of \$11.01M includes sufficient funds to cover all debt services due for the year. The \$11.01M debt service is 4.6% of the total operating and debt service budgets of \$237.8M. This amount is well below the city’s administratively capped budgetary debt service limit of 8%.

RESERVES

A significant part of Standard & Poor’s, Moody’s, and Fitch’s reaffirmation of the city’s AAA bond ratings was based on the city’s commitment to restore and maintain reserves at responsible levels. Though policies differ from city to city, it is generally accepted to maintain reserves of 20% to 25% of a city’s operating budget. Coral Gables has a Commission approved 25% reserve policy based on the operating and debt service of all funds. Those reserves are maintained for “a rainy day” or more importantly, a catastrophic event. On the surface, a 25% reserve sounds like a large amount to set aside. However, 25% represents just three months of maintaining essential city services if operating revenues are cut off.

While the city does not budget for contributions to the reserve, at the close of each fiscal year the reserve is funded with unrestricted surpluses generated by increased revenue over budget and unspent budgeted

expenditures. At the close of FY 2022-2023, the city's certified financial statements indicate that the General Fund reserve was fully funded with a balance of \$54.7M which represents 25% of the FY 2023-2024 total operating plus debt service adopted budget of \$220M. The contribution to the reserve balance based on the FY 2024-2025 Adopted Budget will be determined at the FY 2023-2024 fiscal year when financial statements are issued.

CULTURAL AND COMMUNITY EVENTS

The FY 2024-2025 Budget includes allowances for cultural grants and events in the amount of \$228,228. The Cultural Development Board reviews grant applications made by local cultural and community organizations and recommends funding based on the available budget. The Fiscal Year 2024-2025 Budget also includes a \$225,000 grant to support operating expenditures at the Coral Gables Museum.

CONCLUSION

The FY 2024-2025 Budget is a balanced budget that provides for the operational needs of the city and funds significant capital improvement projects focused on improving infrastructure and quality of life. High performing organizations carefully consider the current environment, have a clear strategy, strive for operational excellence, and strategically use technology. The development of this budget applies these practices in every aspect of the budget planning with the goal of creating a more beautiful, livable and sustainable Coral Gables.

As the City of Coral Gables approaches its 100th year, we can reflect upon the decades of phenomenal achievements of the city and its people, but we must also focus our attention on the city’s future and our unwavering commitment to our Mission – *To honor our history by providing exceptional services that enhance the quality of life for our community.*

The path to that future is encapsulated in one comprehensive, well-planned document, our 2023-2025 strategic plan. This plan will serve as the city’s roadmap for our journey toward performance excellence and realizing our Vision of being “*a world-class city with a hometown feel.*” It describes the strategic goals and objectives we aim to accomplish over the next three years, detailing specifically our intent to achieve world-class performance levels in all key measurement areas while embodying our GABLES values:

Governance with integrity – making ethical and wise choices with guided thought and transparency

Aesthetics – preserving and enhancing the beauty of our city

Balanced – considering all interests: residents, businesses, and workforce; celebrating diversity; being fair and equitable

Learning – inspired by our history, committed to excellence and innovation for our future

Exceptional service – being accessible, accountable, and respectful – exceeding expectations with pride

Sustainability – stewardship of all resources: people, finances, facilities, and the environment

The city remains committed to delivering essential municipal services in an exceptional way, using new technology as we move further toward using information and communication technologies to increase operational efficiency, share information with the public and improve both the quality of government services and citizen welfare, while still providing good old-fashioned customer service combined with best practices, high standards, accountability, and transparency. A great example of how we conduct ourselves as good stewards of the city’s resources is the planning, construction, and ultimate occupation of our new Mobility Hub depicted on the cover of this plan. Just like the drawings of the city’s new Public Service Building that appeared on the cover of our last three-year strategic plan, this modern facility will be state-of-the-art, aesthetically representative of Coral Gables, and serve to reduce traffic congestion in our city’s downtown. We look forward to beginning operations there in 2024.

In addition, this strategic plan includes the city’s ongoing commitment to increasing the geographic areas served by parks and playgrounds, enhancing our position as a premier destination for arts, culture, dining, and shopping; all of this designed to enhance safety initiatives and preserve the quiet residential neighborhoods that make Coral Gables “The City Beautiful.”

First and foremost, our mission is public service and, we, your City Staff, want to thank you for allowing us the opportunity to serve you in a world-class manner.

THE CITY BEAUTIFUL

A GUIDE TO THE CITY BEAUTIFUL

THE CITY BEAUTIFUL

Coral Gables' founder, George E. Merrick, imagined both a "City Beautiful" and a "Garden City," with lush green avenues winding through a residential city, punctuated by civic landmarks and embellished with detailed and playful architectural features. Today, Coral Gables stands out as a planned community that blends color, details, and a Mediterranean architectural style. The City is a rare pearl in South Florida for its rich history and fully integrated ecosystem resembling the cities of the future.

Early city planners and visionaries were influenced by the aesthetics of the City Beautiful Movement that swept across America in the early 1900s which encouraged the use of wide tree-lined avenues, monumental buildings, winding roadways, green space, ornate plazas, and fountains. All these elements of style have been and continue to be incorporated throughout the City.

The City's distinct tropical beauty is enhanced by Fairchild Tropical Botanic Garden's Million Orchid Project, an initiative that has reintroduced one million native orchids to street trees in Miami-Dade County, including more than 250,000 in the City Beautiful. The Greenspace Management division of Coral Gables oversees the maintenance of over 40,000 trees throughout the city and continues to invest in its green canopy. In 2023, the Greenspace Management Division planted more than 150 new trees citywide on City swales and public green spaces to provide additional shade and environmental benefits.

ECONOMIC OVERVIEW

The Coral Gables economy is comprised of local and international businesses, but unlike other parts of Florida, it is not influenced by seasonal shifts. Because of its strong municipal services, high quality of life, convenient access, responsible growth and a diversified economy, Coral Gables continues to be a highly desirable location for domestic and international investment.

The City is also centrally located with easy access to key destinations. Coral Gables is a short drive from Miami International Airport and PortMiami, two of the largest passenger and cargo hubs in the nation. In addition, the city is 35 miles from Ft. Lauderdale-Hollywood International Airport, and Port Everglades. A vintage-style trolley connects many of the commercial districts to Metrorail, the region’s elevated rapid transit system that connects the city to Downtown Miami in just minutes.

Coral Gables is one of the premium office markets in South Florida with more than 12.8 million square feet of prime office space. The City’s total tax-assessed value is \$23.7 billion. It is also an ideal place for corporate officers and employees to live and work. The City offers multiple venues to entertain clients, world-class restaurants, first-class hotels, rich cultural offerings and a broad range of retail establishments.

TEN-YEAR MUNICIPAL MILLAGE RATES FOR FULL-SERVICE CITIES BY TAX YEAR

CORPORATE CAPITAL OF THE AMERICAS

With an international professional population and ease of connectivity to the world, a Coral Gables address means being at the center of a dynamic business ecosystem. The City serves as a gateway to Latin America. In fact, most of the City's multinational companies serve as the headquarters for Latin America. Among the industries found in Coral Gables are wealth management, health care, biomedical research, technology, spirits, travel and tourism, and real estate.

BUSINESS FRIENDLY ENVIRONMENT

Coral Gables is recognized for its commitment to enhancing its business-friendly environment with its wide sidewalks and open-air atmosphere, we have seen internationally, nationally and locally renowned restaurants and retailers flock to the City Beautiful. Attracting Home & Design brands is a key point of the City's retail strategy. The City proactively works with local partners and economic development agencies to directly market the city to chef-driven restaurants and specialty retail stores, especially in the Home & Design Category.

The City's pro-business tax climate means business dollars go further in Florida as well; for example, limited corporate taxes and no state/local personal income tax. Great weather, recreational opportunities, convenient access to global markets and a highly educated talent pool makes Coral Gables the right choice.

INVESTING IN CORAL GABLES

Since 2018, Coral Gables is one of only three cities in Florida - and the only one in Miami-Dade County - with three 'AAA' bond ratings from Fitch Ratings, Standard & Poor's, and Moody's. Conservative fiscal management, responsible debt policy, and a strong but diverse economic base are some of the key factors that contributed to the very positive ratings. Its strong financial position means the City can continue to provide superior services and amenities, while continuing to invest in its infrastructure... all great reasons to invest and do business in the City Beautiful.

REAL ESTATE MARKET

High quality schools, responsive municipal services and the thoughtful integration of the built and natural landscape make the City Beautiful a much sought-after address. According to Zillow.com, the median price value of homes sold in Coral Gables is \$1.1 million. There were an estimated 18,947 households in 2022 and median household income of \$118,203, compared to \$64,215 countywide.

ACCESS TO AIR, SEA & LAND

In 2023, the Greater Miami region attracted more than 19.3 million overnight visitors, contributing over \$21 billion to the local economy. Many of those tourists were drawn to Coral Gables for its diversity of offerings.

AIRPORT (MIA)

Coral Gables is just 5 minutes from Miami International Airport (MIA), the nation's busiest airport for international passengers with 96 air carriers serving 175 non-stop destinations. In 2023, MIA served 52.3 million passengers and handled more than 2.7 million tons of domestic and international cargo, making it the #1 U.S. airport for international freight. In 2021, MIA was named J.D. Power's Best Mega Airport. The airport has a 400,000-square-foot international arrivals facility connected to an above-ground, automated people mover system that connects various modes of transportation. This facilitates travel between Miami, Palm Beach County, Fort Lauderdale and the Florida Keys, making regional travel convenient.

PORT (PORTMIAMI)

Only 15 minutes away from Coral Gables, PortMiami is recognized as the “Cruise Capital of the World” and “Cargo Gateway of the Americas.” The Port, which is home to 23 cruise lines and 60+ passenger ships, handled more than 2.9 million passengers and more than 9.7 million tons of cargo in 2023. Additionally, PortMiami is the nearest major U.S. logistics hub capable of handling full laden post-Panamax vessels. The PortMiami Tunnel has doubled the port's capacity of truck and cargo movement and PortMiami's Rail links rail service from the port directly to the national rail network, allowing goods to reach 70 percent of the US population within one to four days. PortMiami is ranked the third fastest imports port in the US by the Journal of Commerce.

TRANSIT

Transportation through Coral Gables is free and convenient on the City's vintage-style trolley, which connects many of the City's commercial districts to Metrorail, the region's elevated rapid transit system and other transit services. On average, the trolley carries 1.2 million passengers a year along Ponce de Leon Boulevard between the Douglas Metrorail Station and Flagler Street, with convenient stops every 1-2 blocks and a trolley running every 10 to 12 minutes. The trolley system also has a Grand Avenue loop servicing the MacFarlane Homestead section of the City.

FREEBEE

The City of Coral Gables has partnered with Freebee, a fun and innovative electric vehicle shuttle service, to provide free door-to-door, on-demand rides throughout Downtown Coral Gables and beyond. Freebee is currently operating in the Downtown area every day.

INTELLECTUAL AND MULTILINGUAL WORKFORCE

A highly-skilled workforce is at the core of Coral Gables. More than 57% of Coral Gables residents are fluent in another language. Approximately 70 percent of Coral Gables' residents 25 and older have a bachelor's degree or higher, about two times the countywide rate of 32.5 percent. In addition, Coral Gables is home to many excellent academic institutions.

The University of Miami is a private research university and academic health system with a distinct geographic capacity

to connect institutions, individuals, and ideas across the hemisphere and around the world. The University's vibrant and diverse academic community comprises 12 schools and colleges serving more than 19,593 undergraduate and graduate students in more than 380 majors and programs. Located within one of the most dynamic and multicultural cities in the world, the University is building new bridges across geographic, cultural, and intellectual borders, bringing a passion for scholarly excellence, a spirit of innovation, a respect for including and elevating diverse voices, and a commitment to tackling the challenges facing our world.

Also located in the City is Northwestern University's prestigious Kellogg School of Management Executive MBA program. In 2022 Coral Gables was ranked as the 11th best small college area to live and study in the Sept. edition of the University Business. Communities were rated from economic opportunity to sheer fun. Coral Gables was selected as one of the most engaging for higher education students.

GLOBAL CONNECTIVITY

Coral Gables is a city rooted in history and focused on the future. Award-winning technology infrastructure sets the City apart. From natural disasters to a health crisis, such as the COVID-19 pandemic, a robust and resilient infrastructure with high-speed communications and business intelligence is designed to keep the city constantly connected. Virtually every piece of equipment in Coral Gables, from free public Wi-Fi to traffic sensors, is part of an interconnected network that allows the City to best serve businesses through constant real-time information. The City is proud to be a recipient of the 2024 Smart 20 Award and IDC Smart Cities North America Award. These are just the latest in a long list of accolades for the Smart City technology available in Coral Gables.

The City will continue expanding its fiber and broadband infrastructure to provide tech companies with access to secure and reliable communications furthering the City's goal and improve municipal services, create economic opportunities, to grow its reputation as a smart city.

SCHOOLS

Coral Gables schools are among the best in the nation. Within or just outside the city boundaries are two public high schools (Coral Gables Senior High School and International Studies Preparatory Academy), two public middle schools (George Washington Carver Middle School and Ponce de Leon Middle School), two public K-8 schools (Henry S. West Laboratory School and Coral Gables Preparatory Academy), four public elementary schools (David Fairchild Elementary School, Frances Tucker Elementary School, Sunset Elementary School, and George W. Carver Elementary School), and one charter elementary school (Somerset Gables Academy), all but one of which are rated an A or B, the highest designation on the Florida Department of Education's assessment scale.

Coral Gables Prep, Carver Middle and Sunset have been designated Blue Ribbon Schools of Excellence by the U.S. Department of Education, the highest honor awarded to American schools. Carver and Ponce have garnered the Magnet Schools of America Merit Award – School of Excellence, the highest distinction given to magnet schools, while Ponce was designated one of the top nine magnet schools in the U.S. by Magnet Schools of America.

Several Coral Gables schools are known for their foreign language and international studies curricula. Graduates of the International Baccalaureate (IB) program at Coral Gables Senior High receive a diploma recognized by colleges and universities around the world. Currently, Carver and Ponce are the middle schools offering the IB magnet programs. Carver is recognized by the French, German, Spanish and Italian governments and accredited by France and Spain for its dual language immersion programs. The International Studies Preparatory Academy's International Studies (IS) Program is a pioneering collaboration of the City of Coral Gables, Miami-Dade County Public Schools and the Spanish, Italian and French Education Ministries that culminates in a U.S. high school diploma and the equivalent diploma from the European country whose language students choose to pursue in-depth.

Coral Gables also boasts seven highly-rated private schools including Gulliver Academy and nearby Gulliver Preparatory School, as well as half a dozen day schools. Coral Gables residents are also served by several other high-quality public, private and charter schools. For a list of all schools, visit www.coralgables.com/schools.

COMMUNITY AND CONVENIENCE

As South Florida's first planned community, Coral Gables is a green oasis in the heart of one of the nation's largest metropolitan areas. The 13-square-mile City is well known for its lush, elegant surroundings, more than 40 miles of waterways and coastline and stable residential neighborhoods. Its climate is mostly sunny year-round with temperatures ranging from an average annual high of 81 degrees Fahrenheit to a low of 60.

Walk, bike or drive around the City Beautiful and you will experience a vibrant, community which is proud of its past with a vision towards a modern future. Night and day, the City's Downtown is bustling with pedestrians who have easy access to hundreds of restaurants and an abundance of shops, many within walking distance of the downtown business district. The variety and convenience of these amenities is a significant benefit for employees who use personal and professional services during lunch, or before and after work hours. The City's many cultural offerings are also attractive to a growing creative class.

Downtown Coral Gables has been reenergized with the completion of a streetscape project on Miracle Mile and Giralda Plaza, the City's central shopping and dining areas. Both streets were designed to enhance the pedestrian experience. On Miracle Mile, the improvements included an artistic design using pavers, widened sidewalks to accommodate outdoor dining, beautiful landscaping with unique seating areas and a curbsless street. On Giralda, unique paver designs, a focal lighting system and a curbsless street add to the outdoor dining experience. The City has closed Giralda to vehicular traffic to create a vibrant and eventful area, perfect for public art.

Coral Gables has become one of the most vibrant centers for the arts in South Florida, with countless cultural offerings located both in the heart of the City or just minutes away.

Coral Gables Art Cinema

Actors' Playhouse at Miracle Theatre

Pumpkin Patch

- Coral Gables offers three live theaters: Actors' Playhouse at the Miracle Theatre, GableStage at the historic Biltmore Hotel, and the Jerry Herman Ring Theatre at the University of Miami.
- The Coral Gables Art Cinema on Aragon Avenue, and the Cosford Cinema on the University of Miami campus, are top venues for foreign and independent films.
- Coral Gables Gallery Night, held the first Friday of the month, features several art galleries showcasing works by European and Latin American art masters and outstanding contemporary artists.
- The City continues to host a Pumpkin Patch, with a large assortment of pumpkins, crafts and music for the entire family.
- In 2022, the City of Coral Gables launched an International Cultural Events Program. The purpose of the program is to work closely with consulates and foreign government offices to educate and expose the community to diverse cultural experiences. These city-sponsored events include the Parade and Festival of Barranquilla, Colombia and the Día de los Muertos Mexican celebration.

Día de los Muertos

Coral Gables Museum

- There are three museums in the City: the Coral Gables Museum in the heart of the downtown, the Lowe Art Museum on the UM campus, Merrick House, the boyhood home of City founder George Merrick.
- Coral Gables is widely known for its vibrant and high-quality music scene. Coral Gables is also a premiere stage for numerous chamber groups, and symphonic orchestras. UM's renowned Frost School of Music is a popular venue for a wide array of musical offerings.
- There are a total of nine cultural institutions in Coral Gables, four of which are located in the central business district.
- Coral Gables is home to Books & Books, one of the nation's top independent bookstores. The store has become a major cultural center and each year hosts more than 500 different readings and events. Former presidents and world-renowned authors have presented at the popular venue.

Chihuly art at Fairchild Gardens

Coral Gables celebrates its strong sense of community with events that have become local traditions throughout the year. The annual Junior Orange Bowl Parade has been marching through Downtown Coral Gables for 75 years, the Fourth of July fireworks celebration draws more than 35,000 people to the grounds of the historic Biltmore Hotel, and the annual Holiday Tree Lighting spectacular and theme park for children across City Hall are highlights of the holiday season.

During the local growing season, from January through March, Coral Gables holds a Farmers Market in front of City Hall. The popular European-style green market offers farm-fresh produce, baked goods, juices, honey, herbs, jams and jellies, gourmet specialty foods, and a variety of plants for the home or garden. Nationally recognized as a garden city, Coral Gables offers two world-renowned gardens. Montgomery Tropical Botanic Garden is a global center for scientific research, boasting the largest palm tree and cycad collections in the world, while the 83-acre Fairchild Tropical Botanic Garden has become a resource of world significance. Its “Wings of the Tropics” conservatory has over 40 species butterflies on display. Coral Gables is strongly committed to arts and culture. In addition to its many offerings, the City has a Cultural Grants Program to support non-profit organizations and an Art in Public Places Program that requires all private developments of more than \$1 million to assign 1 percent of their budget for public artworks. The City also is home to the international cultural institution, the Società Dante Alighieri.

Coral Gables is widely recognized as one of the best places to live. These are some of the awards and accolades the City has received:

- Tree City for the past 39 years (The Arbor Day Foundation)
- Coral Gables Fire Rescue in the top five percentile in EMS in the nation.
- In June 2022, Coral Gables earned its LEED for Cities Gold Certification (U.S. Green Building Council Org.)
- Ranked among the most family-friendly cities (South Florida Agent Magazine, Sept.2023)
- Venetian Pool Ranked 9th in Best Things to do in Miami (U.S. News)

Granada Golf Course

Adult Activity Center

With its majestic tree canopy and shaded streets, Coral Gables invites communing with nature. There are 63 public parks and green spaces in the City Beautiful, providing perfect places to stroll, picnic, play or relax. The City’s parks and green spaces are evolving to better serve the community. Twenty-seven parks are pet friendly areas and the City is incorporating public art wherever possible.

Residents and visitors can tee off at two public golf courses – the Biltmore Golf Course, a newly renovated Donald Ross, 18-hole, par-71 course, and the Granada, the oldest operating nine-hole course in Florida. There are also two private courses, the Riviera Country Club and the Deering Bay Country Club. Coral Gables also offers access to 32 tennis courts and more than 40 miles of waterways and coastline that invite boating, paddleboarding and kiteboarding. Other activities include hiking and cycling along one of the City’s many bike paths. Three centers for recreational programs are also available for residents. The War Memorial Youth Center includes a fitness center, basketball gym, gymnastics center, theater and activity rooms to house hundreds of recreational programs annually. The Adult Activity Center is a program space specifically for adults 50 years of age and older with fitness programming, educational programs and special events. The newly renovated Coral Gables Golf & Country Club offers a gym, pool and special member events. .

Residents can also swim in the City’s historic natural freshwater Venetian Pool, which was voted one of the world’s coolest pools by “Travel and Leisure” magazine. For boat owners, there are several private marinas nearby that include Snapper Creek Marina, Deering Bay Yacht Club, and Cocoplum Yacht Club.

The Coral Gables Police and Fire Departments are both fully-accredited. The City's Police Department is accredited by the Commission on Accreditation for Law Enforcement Agencies (CALEA), the international gold standard in public safety. The City's Fire Department is one of only a handful of fire departments nationally that holds the distinction of being both a recognized ISO Class 1 Fire Department as well as accredited through the Commission on Fire Accreditation International, for providing exemplary fire protection and emergency services to the community. In addition, in 1993, Coral Gables became the first municipality ever to receive the National Emergency Management Award.

Another service that sets Coral Gables apart from other municipalities is the white-glove service the city provides for solid waste. The Public Works Department provides recycling, garbage, and yard waste pickups for approximately 11,000 single-family homes. Residents do not need to haul their garbage to the curb, City employees remove it from their side yards. The Division provides backyard recycling services once a week, backyard garbage services twice a week, and curbside trash collection once a week.

Doctors Hospital

HEALTH SERVICES

Coral Gables residents have access to a variety of world-class healthcare services. Baptist Health South Florida, headquartered in Coral Gables, ranks as one of the best hospital systems in the nation for clinical quality. Under the Baptist umbrella, Doctors Hospital, located in the heart of Coral Gables, has provided high-quality medical care since 1949. It is home to Miami Orthopedics & Sports Medicine Institute, a Center of Excellence at Baptist Health which provides sports medicine services to most of the major South Florida sports teams.

The Institute's nationally and internationally recognized programs featuring innovative technologies and minimally invasive treatments. The Institute's new hub, the Miami HEAT Sports Medicine Center, opened in 2019. The four-story, 49,000-square-foot facility adjacent to Doctors Hospital houses most of the Institute's orthopedic specialties under one roof, including a fully dedicated orthopedic ambulatory surgery center.

UHealth - the University of Miami Health System delivers South Florida's most advanced and comprehensive patient care by some of the region's best doctors. The area's only academic-based health care system, UHealth provides unique and personalized health care, where patients can participate in clinical trials that are fast-tracked from the laboratory to the bedside. The Lennar Foundation Medical Center in Coral Gables highlights a new era in health care delivery that brings together dozens of medical specialties into one location, including the expertise of the renowned Sylvester Comprehensive Cancer Center, South Florida's only State of Florida Cancer Center of Excellence, Bascom Palmer Eye institute, the #1 ranked eye hospital in the U.S.

Tenet Healthcare's community-based Coral Gables Hospital offers a broad range of services, from primary care to surgery. The specialty programs offered at the 245-bed facility within the City include Orthopedics, Urology, Comprehensive Diagnostics Services, Emergency Care, and Outpatient Rehabilitation.

HISTORICAL LANDMARKS

Coral Gables is committed to maintaining its rich heritage. More than 1,200 properties have been designated local landmarks, including typical Mediterranean style cottages. Eleven properties are listed on the National Register of Historic Places. They include:

- The Biltmore Hotel: The City's tallest building – with its magnificent spire that pays homage to Spain's Giralda tower. It has hosted royalty, presidents and movie stars since it opened in 1926.
- City Hall: The richly ornamented Mediterranean Revival-style building is made largely of coral rock and features original artwork that is an integral part of its structure—from the relief of the City seal the graces the front façade to the paintings on its domed ceiling.
- Venetian Pool: Created in 1923 from a coral rock quarry, the natural freshwater pool is the only pool to be listed on the National Register of Historic Places.

Other properties listed on the National Register are the Coral Gables Congregational Church, Coral Gables Elementary School, the Merrick House, the Coral Gables Museum, the Coral Gables Woman's Club, the Coco Plum Woman's Club, the Douglas Entrance, and the MacFarlane Homestead Historic District.

A GUIDE TO THE BUDGET

BUDGETS & LEGAL COMPLIANCE

On July 1 of each year the City Manager submits to the City Commission a recommended operating budget for the ensuing fiscal year. The recommended budget is prepared by funds, function and activity and includes information on the past two years, current year estimates and recommended appropriations for the next fiscal year. During September of each year the City Commission holds two public hearings and may add to, subtract from or change the recommended budget.

The annual budget is a financial, operating and capital plan for the coming fiscal year. It is an estimate of proposed spending and the means of paying for the spending. However, a budget is more than just a spending plan. The budget serves four basic purposes:

- **Information:** The budget is a primary way for the City to present to the public what the Administration intends to do with the revenues that are collected. Through the budget, residents and interested parties can see how and where their tax dollars and other revenues raised by the City will be spent.
- **Accountability:** The budget is a tool for legalizing public expenditures and to account for and control the use of public resources.
- **Evaluation:** The budget is used to help tell how well the City is doing its job through workload and performance measures.
- **Planning:** The budget is the basic way for the management of the City to plan, coordinate and schedule programs.

THE BUDGET PROCESS

Budgets are adopted on a basis consistent with generally accepted accounting principles. Annual appropriated budgets are adopted for the general and debt service funds. All annual appropriations lapse at fiscal year-end. Project length financial plans are adopted for all capital projects funds.

What is a Fiscal Year?

A fiscal year is a twelve-month cycle that comprises a budget and reporting period. The City's fiscal year for this budget starts October 1, 2024 and ends September 30, 2025.

What is Revenue?

Revenue is funding the city receives from a variety of sources such as property taxes, permits and fees, utility and sales taxes, charges for services, grants, franchise fees and license fees that the Administration uses to pay for service delivery and other items.

What is an Operating Expenditure?

An expenditure is a disbursement of revenue for goods and services. Expenditures include such things as employee salaries, materials purchases, utility costs and debt service payments. Expenditures may not legally exceed total budgeted appropriations for all activities.

What is a Capital Expenditure?

A capital expenditure is incurred when funds are spent to either buy fixed assets or add to the value of an existing fixed asset. The new asset or the added value to an existing asset must have a useful value greater than twelve months.

What is an Encumbrance?

An encumbrance is a commitment of funds for contracts for goods or services. Encumbrance accounting entails using purchase orders to reserve (set aside) a portion of a government unit's appropriation to cover the cost of a particular service or good. Encumbrances outstanding at year end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be honored during the subsequent year.

THE BUDGET STRUCTURE

Like other local governments, the City budget structure complies with Generally Accepted Accounting Principles (GAAP), State law and the City Charter. As required by these sources, the City's budget is divided into funds and sub-funds, i.e. departments and divisions. Each fund is individually balanced, with its respective revenues and expenditures appropriated and monitored.

What is a Fund?

A fund is a separate accounting entity within the City that receives revenues from a specific source and spends them on specific activities. Think of a fund as a separate checking account where specific funds are deposited and then checks written to pay for designated services or goods related to the purpose of the account. The City has three major fund types. These are shown below with the funds that fall under each of the major fund categories.

Governmental Funds

Governmental Funds are those funds through which most governmental functions typically are financed. The acquisition, use, and balances of the government's expendable financial resources and the related current liabilities except those accounted for in proprietary funds are accounted for through governmental funds (general, debt service, and capital projects funds). The difference between governmental fund types and most others is based on the sources, uses and balances of financial resources rather than on net income determination. For proprietary fund types the emphasis is on net income and capital maintenance, similar to the private sector.

1. **General Fund** - Used to account for the general operations of the city and all transactions that are not accounted for in other funds or account groups.
2. **Debt Service Funds** - Used to account for the payment of principal and interest on all outstanding long-term obligations except those payable from Enterprise Funds.
 - a. **Sunshine State** - used to accumulate monies for the repayment of notes issued for various capital projects. Financing is provided by a general pledge of resources other than property taxes, and the amount needed is transferred from other funds.
3. **Capital Project Funds** - Used to account for organizations and activities segregated for the acquisition or construction of designated fixed assets (except those financed by Enterprise Funds).
 - a. **Capital Improvement Fund** - used to account for all resources used for the acquisition of various major capital improvements (except those financed by Enterprise funds). Money is transferred to this fund from other funds for major capital projects.
 - b. **Sunshine State Improvement Fund** - used to account for to the acquisition or construction of capital improvement projects funded from the proceeds of notes issued by the Sunshine State Governmental Financing Commission.
 - c. **Roadway Improvement Fund** - used to account for the construction costs of resurfacing and rebuilding streets and the related curbs, gutters, drainage and lighting. These projects are funded by the Local Option Gasoline Tax and, where applicable, the proceeds from special assessment collections for roadway improvements.
 - d. **Trolley/Transportation Fund** – used to account for the operation of the City-wide trolley transportation system funded by the Half-Cent Transportation Surtax.
 - e. **Miami-Dade County General Obligation Bond Fund** – used to account for all Miami-Dade County General Obligation Bond allocations awarded to the City. These expenditures would be capital in nature and must be accounted for separate from other funding sources.
 - f. **Coral Gables Impact Fee Fund** – used to account for all capital projects that are funded with Coral Gables Impact fees.

Enterprise (Proprietary) Funds

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

1. **Storm water Utility Fund** – used to account for the operation, maintenance, financing and capital improvement costs of a storm water collection system providing services to all residents of the City, and all commercial properties.

2. **Sanitary Sewer Fund** - used to account for the operation, maintenance and capital improvement costs of a sanitary sewer collection system providing services to certain residents of the City, the University of Miami and certain non-resident sewer connections in areas adjacent to the City.
3. **Venetian Swimming Pool Fund** - used to account for the operation and maintenance costs of the municipal swimming pool. The swimming pool provides facilities where those persons interested in this outdoor recreation sport can participate.
4. **Coral Gables Country Club Fund** - used to account for the operation and maintenance costs of the nine-hole municipal golf course. The golf course provides a facility where those persons interested in this outdoor recreational sport can participate.
5. **Parking System Fund** - used to account for the operation, maintenance, financing and capital improvement costs of on-street and off-street automobile parking facilities. These facilities, that include five parking garages, provide a variety of parking options for the residents, merchants, and visitors of the city.

Internal Service Funds

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit, or to other governmental units, on a cost-reimbursement basis.

1. **Motor Pool Fund** - is used to account for the costs of operating a maintenance facility for automotive and other various types of equipment used by other City departments. The operating and maintenance costs are allocated to the user departments by charging a flat rate annual rental fee for the equipment. Rental fees are updated annually based on detail maintenance operating cost records kept for each item of equipment provided. The equipment itself is acquired by the Motor Pool Fund and financing is provided by charging the user departments an annual replacement charge based upon the estimated life of the equipment.
2. **Public Facilities Fund** - is used to account for the costs of providing building maintenance, utilities and general housekeeping services for all city property. Financing is provided by charging the user departments an annual rental fee based upon actual costs.
3. **Insurance Fund** - is used to account for the cost to provide liability and worker's compensation self-insurance administered by an outside professional insurance service, and the cost to provide health care. Financing is provided by insurance premium charges to the user departments and investment earnings on accumulated reserves.

Pension Trust (Fiduciary) Funds

Fiduciary Funds are used to account for assets held by a governmental unit in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds. Pension trust funds are accounted for in essentially the same manner as proprietary funds.

1. ***Coral Gables Retirement System*** - used to account for the accumulation of resources held to fund the retirement annuities of all employees. Resources are provided by employer contributions determined by an actuarial study, investment earnings and employee contributions calculated at an annually determined fixed rate.
2. ***Police Officer's and Fire Fighter's Pension Fund*** - used to account for the accumulation of resources held to fund the retirement benefits for police officers and fire fighters. Resources are provided by annual employer contributions determined by an actuarial study, investment earnings and employee contributions based on a fixed rate.

Agency Funds

Agency funds are purely custodial (assets equal liabilities) and thus do not involve measurement of results of operations.

1. ***Law Enforcement Trust Fund*** - used to account for resources provided because of certain police investigations, seizures, and forfeitures.
2. ***Deferred Compensation Fund*** - used to account for compensation deferred by employees in accordance with internal Revenue Code Section 457 and compensation earned but unused paid leave, the payment of which is deferred until the employee's retirement.

PROPERTY TAX

What is a Property Tax?

A property tax is a tax based on the value of the property. It is also called an ad valorem tax. The tax is determined by multiplying the taxable value of the property by the millage rate and then dividing the result by one thousand. The County is responsible under state law to collect all taxes imposed within the county.

What is a Millage Rate?

The millage rate (also known as the property tax rate) is the rate of taxation adopted by the City and County Commissions and the School Board that is applied to property values to generate property tax revenue that in addition to the other revenue sources will be used to pay for City services.

What is a Mill of Tax?

A mill is a rate of tax equal to \$1 for each \$1,000 of assessed property value. For example, if your house has a taxable value of \$100,000 and the millage rate is 1, then you would pay \$100 in taxes, and if the millage rate is 10, then you would pay \$1000 in taxes.

How are Property Taxes Calculated?

There are three factors for calculating the amount of property tax assessed on your house (or other property): the value of the property, the amount of value that is not subject to taxes (e.g., the homestead exemption), and the tax or millage rate.

According to State legislation, the County Property Appraiser calculates the value of each property in Dade County as of January 1 each year. The appropriate exemptions are then applied to reach the final taxable value. The final taxable value is multiplied by the millage rates, i.e., City, County and School Board, to determine the amount of property taxes to be included in the November property tax bill. For example, if your taxable value after taking all exemptions is \$500,000 and the millage rate used to determine your taxes is 5.559, then the City portion of your taxes would be \$2,780. The calculation is performed by taking the taxable value (\$500,000), dividing it by 1,000 and multiplying by the millage rate (5.559).

$$\frac{\$500,000}{1,000} = \$500$$
$$\$500 \times 5.559 = \$2,780$$

What is Rolled - Back Millage Rate?

The rolled-back millage rate is the millage rate that when applied to the tax roll excluding new construction, would provide the same property tax revenue in the proposed budget year as in the current year. It represents the millage level of no tax increase.

BUDGET POLICY

Basis of Budgeting - The modified accrual basis of accounting is followed by all governmental fund types for both budgeting and accounting purposes. Under the modified accrual basis expenditures other than interest on general long-term debt are recorded when the liability is incurred. However, certain expenditures such as compensated absences are not recognized for budgetary purposes but are accrued for financial reporting purposes. Similarly, revenues are recognized when received in cash, and in very limited cases, by accrual only when the accrued resource is measurable and available to finance the City's operations.

All Proprietary Funds and Pension Trust Funds are budgeted for using the modified accrual basis and accounted for using the full accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred.

Budget Amendment Procedures - The City maintains specific budgetary controls to ensure compliance with the legal provisions embodied in the annual appropriated budget approved by the City Commission. Activities of the General Fund and debt service funds are included in the annual appropriated budget. The level of budgetary control, i.e., the level at which expenditures cannot legally exceed the appropriated amount, is the total appropriated for expenditures in all funds.

Requests to change the total appropriation, to change the number of authorized personnel, to add additional capital projects or to create contract change orders must be submitted to the City Manager for review. If the change is accepted by the City Manager, a resolution is prepared and submitted to the City Clerk for inclusion on the City Commission Agenda. The resolution is then discussed by the City Commission where it must receive a 3/5 majority vote for passage. Upon passage the Budget is legally amended.

Capital Improvement Procedures – As part of the annual budget process, City Administration prepares a five-year Capital Improvement Program (CIP) that supplements the annual operating budget. The program represents a capital investment strategy for the City for the current fiscal year and for the next four-year

period. A multi-year CIP is required by Florida State Statute and is necessary as part of a long-term financial plan to ensure that sufficient funds are available for capital projects.

Each year the CIP is prepared from project requests submitted by the various departments with input from various boards of the city. At a public workshop May of each year, the project requests are presented to the City Commission to obtain the Commission's collective priorities. Inclusion in the Budget Estimate is then based on available dollars. The capital portion of the Budget Estimate is then discussed at a second workshop each July and subsequently adopted by resolution with the Five-Year Capital Improvement Plan at the second of the two budget hearings held each September. The capital improvement projects that are approved will be financed in the most efficient and cost-effective means through appropriation of funds, special revenue funds, grants and other sources.

FINANCIAL POLICIES

Accounting Structure - The financial statements of the City of Coral Gables have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units.

The accounts of the City are organized based on funds and account groups, each of which is considered a separate accounting entity. Each fund contains a set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and how spending activities are controlled. The various funds and account groups are reported by generic classification within the financial statements of the Comprehensive Annual Financial Report (CAFR).

The City's financial policies establish the framework for Coral Gables' financial planning and management. The policies set guidelines in which the budget and financial plan are developed and managed, thus demonstrating the Administration's commitment to sound financial planning, management and fiscal integrity. These policies set a benchmark by which the Administration and elected officials can measure our financial planning and performance.

Operating Management Policies

1. All departments share in the responsibility for meeting management and service delivery goals and ensuring long-term financial stability.
2. The budget process is intended to allocate limited resources among competing programs based on policy priorities, efficiency and effectiveness of services and availability of resources.
3. Additional personnel and/or programs will be requested only if necessary to maintain, enhance or expand service levels or areas. All such additions will be subject to Commission approval during the annual budget process or as a budget amendment during the budget year.
4. As required by City Charter and State Law the budget must be balanced. Recurring expenditures will be funded by recurring revenue and revenue growth will be planned in a conservative, prudent manner.

5. User fees and charges for services will be reviewed annually to ensure program costs are covered at a rate determined to be responsible, competitive with other local communities, and non-burdensome to program participants. Fees will be adjusted as needed based on this analysis.
6. Cash management and investment will be maintained in accordance with the City Charter and State law and will ensure the safety and security of city assets. Funds will be managed prudently and diligently with an emphasis on safety of principal, liquidity and financial return.
7. All fund designations and reserves will be evaluated annually for long-term adequacy and availability in accordance with policies developed and approved by the City Commission.
8. The General fund reserves will be maintained at a level which will adequately cover potential emergencies. The Commission approved rate for this purpose is 25% of the total annual operating budget, i.e., all funds, to be sourced and held in General Fund dollars.
9. Fund balances will be used prudently and conservatively to fund one-time expenditures (either capital or operating) and never used to cover recurring expenditures.

Debt Management Policies

1. The City of Coral Gables will seek to maintain its three AAA bond ratings to minimize debt service costs and preserve access to credit markets.
2. Each bond issue will include an analysis of how the new issue and current debt impacts debt capacity.
3. Financing of projects will not exceed the useful life of the Capital improvement or acquisition.
4. The City will limit the amount of debt issued and planned in any planning period to the amount that can be supported by revenues projected to be available on a prudent and conservative basis. The City's goal is to keep the debt service under eight percent (8%) of the sum of total operating costs plus total debt service.

Financial Reporting Policies

1. The City's accounting and financial reporting systems will be maintained in conformance with Generally Accepted Accounting Principles (GAAP), the Government Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).
2. An annual audit will be performed by an independent public accounting firm and a CAFR will be published.
3. The City's financial report and budget will be submitted to the GFOA for the Certificate of Achievement for Excellence in Financial Reporting and the Distinguished Budget Presentation Award.
4. Financial systems will be maintained to monitor revenues, expenditures and program performance on an on-going basis.

2024-2025 BUDGET

DEBT ADMINISTRATION

As of October 1, 2024 the City will have \$106.8 million of special obligation debt outstanding. The City has a "AAA" Bond Rating from Moody's Investors Service, Standard & Poor's Corporation and Fitch Ratings. A review of the City's debt position is required to provide a five-year capital financing plan for infrastructure and other improvements. Decisions regarding the City's use of debt are based upon a number of factors including the long-term capital requirements and the amount of resources available to repay the debt.

LEGAL DEBT MARGIN

The City's budgetary policy is to keep bond debt service under 8% of total expenses. As of October 1, 2024 the City's net bond debt services is well within the policy debt limit. Debt service represents 4.6% percent of total expenses (operating and debt expense).

LONG RANGE FINANCIAL PLAN FOR THE GENERAL FUND

OVERVIEW

The City's Long Range Financial Plan for the General Fund provides a potential roadmap for financial planning and policy decisions. The General Fund is the primary source of funding for many of the City's services and the fund's performance affects the City across the board. General Fund departments include City Commission, City Clerk, City Attorney, City Manager, Human Resources & Risk Management, Development Services, Historic Resources & Cultural Arts, Public Works (except Utilities), Finance, Innovation & Technology, Police, Fire, Community Recreation, and Economic Development.

The Long Range Financial Plan uses trend analysis of historic revenue and expenditure patterns to make informed and targeted projections for the five year period FY25 to FY29. Economic indicators from the Congressional Budget Office (CBO), i.e., the Consumer Price Index (CPI) are also utilized in areas where clear trends are not readily available or discernable.

Consistent with the City's goal of financial sustainability, a conservative approach is employed when estimating both revenues and expenditures outlined in this plan.

REVENUE DISCUSSION

The General Fund is supported primarily by ad valorem property taxes, utility/franchise fees, permit fees, and various other user fees/charges. As with most municipalities in Florida, ad valorem property tax is by far the largest source of revenue, accounting for 63.68% of the Fund's operating revenue budget. Ad valorem dollars have rebounded consistently since the financial downturn of 2007-2009 with taxable values experiencing annual growth rates of between 1.4% to 7.4% during 2013 to 2021. In 2022, values experienced a substantial 11.28% increase which has been exceeded by the preliminary increase in value for 2023 of 11.9%. The increase in values experienced over the last two years are not anticipated to continue long term. For future years, the City is projecting an increase of 5% in values in FY25 and FY26, with a more conservative 4% increase in values in the two years following FY26 as the housing market cannot sustain such large increases year over year.

Coral Gables continues to be in high demand for commercial and residential development. The City Commission understands that development is an important way to grow the tax base and thereby generate new revenues. However, the City maintains a strict principle to be very selective with new development so as to not change the City's historic small-town feel.

REVENUE DISCUSSION - (Continued)

The graph below depicts an ad valorem revenue comparison between Coral Gables, Palm Beach Gardens and Boca Raton. Due to sustainable financial policies and excellent financial management these two municipalities, along with Coral Gables have impeccable bond ratings from the three major rating agencies (Moody's, Standard & Poors, and Fitch).

An equally conservative approach is taken when projecting other revenues of the General Fund. Projections for franchise fees and utility service taxes are tied directly to the Consumer Price Index (CPI). As a result of changes in the market, CST revenue declined over the last ten years. While the tax is not anticipated to increase to prior levels, it has leveled off over the last two years. Revenue from permitting fees have are projected to continue to perform well as the volume and cost of construction projects are anticipated to remain steady. Intergovernmental revenue, which includes State Revenue Sharing and the Half Cents Sales Tax among other sources, have recovered from the negative impacts during the pandemic years and are expected to continue an upward trend in the years ahead.

EXPENDITURE DISCUSSION

General Fund expenditures were projected using a similar methodology. Personnel costs are the largest type of expenditure within the General Fund and has grown considerably growth in the years following the financial downturn. Since 2016, the City has carefully increased authorized headcount by 73 positions to enhance services to our residents and work towards its goal of a world class City. In addition, the City has entered into several collective bargaining agreements with the FOP, IAFF, and Teamsters in a concerted effort to keep Coral Gables competitive in the employment market.

LONG RANGE FINANCIAL PLAN FOR THE GENERAL FUND

EXPENDITURE DISCUSSION - (Continued)

The City is committed to maintaining a safe living and working environment for its residents, businesses and visitors. As such, public safety expenses represent approximately 49.4% of the FY 2024-2025 General Fund operating budget. The graph below depicts total and per capita public safety expenses for Coral Gables and other peer municipalities.

RESERVE POLICY & CONCLUSION

As the City's operating budget changes over the next five years, the unassigned reserve requirement will change accordingly. The City has developed a very conservative reserve policy that calculates a 25% unassigned reserve based on the operating budget and debt service of all funds. This reserve is maintained through General Fund dollars leaving fund balance in other funds available for capital infrastructure improvements. Most municipalities calculate unassigned reserve solely on the general fund operating budget. Coral Gables' policy requirement has led to greater financial stability and more effective stewardship of the City's resources.

2024-2025 BUDGET

LONG RANGE FINANCIAL PLAN FOR SEA LEVEL RISE MITIGATION

OVERVIEW

As numerous academic studies have suggested, climate change in the 21st century will impact coastal communities across the globe in devastating ways. It is now widely accepted that the world's coastlines and coastal cities will be faced with seas that are rising faster than ever experienced. In some areas of the world, projections of increases in sea level of 16 inches by 2050 and 55 inches (1.4 meters) by 2100, are not uncommon. In South Florida, the lack of elevation and the flat nature of our terrain means that marginal rises in sea levels will impact communities both on the coast and as well as those located inland. Coral Gables, as a City, straddles both of these areas. A widespread network of canals and waterways ensures that sea level rise will impact the City's inland neighborhoods. Communities are now proactively planning on how these adverse environmental conditions will affect the lifestyle and comforts residents currently enjoy. There are countless suggestions on how governments should mitigate this very real threat. Some are far-fetched while others may not go far enough. Regardless, the City of Coral Gables is planning on having the financial resources available once all relevant stakeholders agree on a desired mitigation method.

REVENUE DISCUSSION - STORMWATER

In order to fund the City's mitigation strategy, a 24-year plan has been implemented to generate \$100M through incremental increases in the Equivalent Residential Unit fee (ERU) charged to Coral Gables residents over a period of 10 years. One of the main objectives of this plan is to smooth out increases over time to ease the burden of funding this program while maintaining a steadfast commitment to combat rising seas. During each fiscal year, the funds generated by the fee increase will be accumulated and set aside as restricted funds until the \$100M is reached, or utilized sooner if an immediate sea level rise need occurs. The graph below illustrates the City's funding strategy.

REVENUE DISCUSSION - SANITARY SEWER

The City is also taking proactive steps to combat the impact sea level rise will have on its sanitary sewer system. As part of the capital planning process, the Public Works staff worked with the Budget Office to determine a comprehensive replacement cost estimate for the sanitary sewer infrastructure. The estimate includes replacement costs for pump stations, force mains, manholes, vitrified clay pipes (VCP), etc., as well as mitigation costs for storm hardening and sea level rise. The annual need in today's dollars comes to approximately \$1.3M annually.

2024-2025 BUDGET
LONG RANGE FINANCIAL PLAN FOR SEA LEVEL RISE MITIGATION

On July 14, 2020 the City Commission approved a five-year Sanitary Sewer fee structure change to help cover the cost of the Sanitary Sewer replacement program. The new fee structure gives the City the ability to address the replacement/renovation of force mains, pump stations, and gravity systems. In addition, the annual increases will fund the estimated pass-through of each year’s increase in Miami-Dade waste water treatment costs. Built into the fee structure are also debt service expenses. During the spring of 2021, the City received bond revenue of \$15.25M to be utilized exclusively on force main replacements. The City is proactively engaging in a replacement program of the City's aging force mains system in order to avoid potential sanitary sewer catastrophes endured by other municipalities.

It is essential to note that a Return on Investment (ROI) Elimination Program was initiated in FY19 to rescind the enabling legislation that originated an ROI payment from the Sanitary Sewer and Storm Water Funds to the General Fund. The Program eliminates the ROI over the five-year period from FY19 to FY23 by redirecting the ROI back to the Storm Water and Sanitary Sewer fund’s respective capital replacement programs. For each fund, the ROI was reduced by 20% in FY19, 40% in FY20, etc. until the ROI is fully rescinded in FY23. Beginning in FY24, \$1.25M will be retained annually by the Sanitary Sewer Fund, and \$335K will be retained annually by the Storm Water Utility.

CONCLUSION

By taking an aggressive and proactive approach to the threat of rising seas, the City hopes to get out in front of this issue. Conceivably by 2040 when most cities are searching for mitigation funding, Coral Gables will have \$100 million (present value) in reserve in the Stormwater Fund and have a fully funded Sanitary Sewer Capital Infrastructure Replacement Program to safeguard its residents. By utilizing this strategy, its hopeful more cities follow the lead Coral Gables has set, and start to fund sea level rise mitigation sooner rather than later.

City Attorney

Department Function:

The City Attorney's Office (CAO) has a total of four full-time in-house attorneys. It serves as the City's general counsel. In doing so, its attorneys serve as counsel to the City Commission, City Officials, and City Departments, provide legal opinions and interpretations on behalf of the City, and supervise outside counsel. Specifically, the CAO serves as counsel to the City's Planning and Zoning Board, Historic Preservation Board, Board of Adjustment, and Construction Regulation Board as well as to the special masters who preside over Red Light Camera Hearings. The CAO also prosecutes matters before the City's Code Enforcement Board as well as during Code Enforcement Ticket Hearings before a special master. The CAO drafts legislation, reviews all Resolutions and Ordinances for form and legal sufficiency, assists with complex procurement items, works closely with the Human Resources Department on personnel matters, provides legal support for real estate matters and transactions, and drafts and/or reviews all City contracts and agreements for form and legal sufficiency. In addition, the CAO represents the City in litigation, files amicus briefs when appropriate, and files suit when necessary after obtaining approval from the City Commission. Aside from serving as the chief legal officer for the City, the City Attorney also serves as the chief ethics officer, issuing ethics opinions and investigating ethics complaints when necessary.

Department Goals:

1. Providing effective and efficient legal representation and advice to the City Commission, City Officials, and City Departments.
2. Working to protect Home Rule and to fight against State preemption.
3. Continuing to be an available resource for City businesses and residents.
4. Growing its reputation as a nationally recognized City Attorney's Office.
5. Transitioning to a paperless office.

City Clerk

Department Function:

As the Corporate Secretary, the City Clerk's Office is the keeper of the official Commission minutes, legislation, lobbyist registration, original contracts, keeping meeting schedules, minutes and attendance records for all City boards and committees and attends bond validations proceedings as needed. The elections function entails the administration, supervision and certification of Municipal, Business/Improvement District and Retirement Board and employee elections, any charter amendment, and special or referenda. In furtherance of our Records Management Program, this office sets guidelines and standards for all City Records, incorporates management technologies, and establishes a repository for inactive, archival and vital records. Special projects include collaborative projects and cost sharing approaches for archival preservation (Sea Level Rise, Immigration App, Virtual Historic City projects, Records Enterprise System, Lobbyist Online Portal and Electronic filing of Campaign Finance Reports), public access as it pertains to our legislative workflow and document management application, our Boards and Committees public meeting process, our enterprise content management process, as well as our reporting process in furtherance of accountability, transparency, and reportability. Direct services include research in response to public informational requests, notarization, certification, attestation, etc. Advertise and post public notices regarding meetings of the Commission, advisory boards, elections, etc. The City Clerk's Office has been designated as a Passport Acceptance Facility.

Department Goals:

1. To provide professional supervision and management of all Municipal Elections, including but not limited to Charter amendment issues, municipal candidate, bond referendum and retirement board elections pursuant to the Florida Election Code, Miami-Dade County Charter and Code and City of Coral Gables Charter and Code authority.
2. EXPENDITURE/PERSONNEL COMPARISONS

Human Resources & Risk Management

Department Function:

The Human Resources and Risk Management Department is responsible for all personnel related activities and mitigating the City's exposure to risk wherever possible. The Department is comprised of the following functional areas:

- Benefits and Compensation
- Diversity, Equity, Inclusion, and Accessibility
- Employee Relations
- Recruitment
- Risk Management

The Human Resources and Risk Management Department is dedicated to partnering with other City departments to maximize the potential of our greatest assets – our employees. The Department is committed to attracting, developing, and retaining a high performing, quality workforce that aligns with the City's strategic goals and vision. It is committed to providing a fair and inclusive recruitment process, offering learning and development opportunities, and administering competitive employment benefits for City staff. The Department promotes conflict resolution and represents the City in both collective bargaining negotiations and union grievance hearings. The Department is also responsible for protecting the City's assets against loss by maintaining effective insurance programs and minimizing the City's exposure to risk. Lastly, this Department also acts as the City's Chief DEI and Accessibility Officer.

Benefits and Compensation

Responsible for providing employees a comprehensive benefit package providing health and financial protections throughout an employee's career and on into retirement. Responsible for the City's classification and compensation plans as well as employee wellness initiatives, employee recognition programs, and development and training.

Diversity, Equity, Inclusion and Accessibility

Responsible for developing a comprehensive City-wide strategic diversity and inclusion plan and for coordinating the efforts of the City to comply with Title II of the American with Disabilities Act.

Employee Relations

Responsible for providing advice and counsel to management on labor and employee matters, including performance management, progressive discipline and grievance and dispute resolution procedures. Responsible for negotiating, administering, and interpreting the City's collective bargaining agreements with the City's three unions. Responsible for conducting citywide investigations related to employee misconduct and allegations of discriminatory practices.

Recruitment

Responsible for identifying, attracting, interviewing, selecting, hiring, promotional testing, and on boarding employees.

Risk Management

Responsible for mitigating the City's exposure to risk by managing the City's self-insurance program, ensuring that all City vendors have appropriate insurance coverage, purchasing insurance to protect the City's assets, managing liability claims filed against the City and workers' compensation claims, and implementing safety and loss control programs.

Department Goals:

1. Timely and accurate processing of all employee compensation and benefit functions.
2. Fair, transparent, and efficient recruitment and hiring practices for all City positions.
3. Reduce cost associated with new hires and improve the onboarding process.
4. Improve employee feedback and employee engagement.
5. Provide a workplace culture that is supportive, inclusive, and equitable for all employees.
6. Continue the use of strategic milestone planning to achieve succession planning, and attrition goals.
7. Develop and train all City staff with onsite and online curriculum that is enhanced with specialized external and internal sources to achieve the best developed and trained City organization and staff to deliver world class services.
8. Foster a spirit of Citywide pride and teamwork by recognizing employee accomplishments and milestones with programs and awards that encourage and incentivize the workforce to perform at world class levels.
9. Promote and engage our workforce with comprehensive wellness initiatives.
10. Continue to promote collaborative and effective labor management relationships in the City.
11. Negotiate fair and sustainable collective bargaining agreements with all three unions representing the City employees.
12. Develop a comprehensive City-wide strategic diversity and inclusion plan and training program for employees.
13. Continue to identify risks and determine appropriate loss control techniques to reduce workers' compensation and liability claims and work with the departments and the City Safety Action Team to provide a safe work environment and promote safety awareness and safe habits among City employees.
14. Monitor the progress of the implementation of the City's ADA Transition Plan and update the Plan as needed.

Action Plan Worksheet

Action Plan Owner: Raquel Elejabarrieta, Human Resources & Risk Management Director

Action Plan Name: 2.1.1-1 Maintain less than 10% workforce vacancy rate and increase workforce retention rate to 75% by 2025

Strategic plan alignment

- Objective 2 - Workforce-focused Excellence: To be the organization of choice by attracting, training, and retaining a competent and cohesive workforce.
 - Goal 1 - Ensure sufficient workforce capacity to deliver high quality results

KEY tasks that must be accomplished, deliverables, and measures of success (Plan of Actions/Milestones)

What must be done	By When	How will it be evident
Determine the vacancy rates by department.	End of each month	Vacancy report
Benchmark (segmented by positions) against other local government entities to determine an acceptable upper and lower control levels.	End of each month	Reports (segmented by depts) and meeting minutes
Hold monthly meetings with the departments that are outside the determined appropriate control range levels.	Beginning of each month	Meeting notes
Attend career fairs and networking events to foster partnerships with local colleges, universities, and technical schools in efforts to recruit for entry level positions and other positions hard to fill.	As available	After action report with list of qualified candidates

Resource requirements (what do we need to succeed?)

- Time:
 - On-going
 - Other City department staff hours attending career fairs with HR (including departments: Police, Parks, Fire)
 - The new ERP will facilitate formulation of analytical data, metrics, and dashboards, etc.
- Finances (detailed listing of expected costs):

\$ Amount	Purpose
\$2,500	Marketing, advertising jobs and sign up to career fairs (approximately 200 hrs. budgeted for internal staff to attend career fairs and events). This amount is currently in HR's budget. No additional incremental funding required.

Development Services

Department Function:

The Development Services Department consists of four divisions: Administration and Boards, Building, Code Enforcement, and Planning & Zoning. The department is managed by a director, a deputy director, and division managers. The department assists with policymaking and serves in an enforcement capacity. The Planning & Zoning division assists with the development and implementation of goals, objectives, and recommendations to guide the future development and maintain the aesthetics of the city. The Building and Code Enforcement divisions are responsible for enforcing the Florida Building Code and municipal regulations that ensure the high level of property maintenance standards of the community, and the public health, safety, and welfare of our residents.

Department Goals:

1. Maintain the aesthetic quality of the City's business and residential neighborhoods by enforcing the Zoning Code and the City Code throughout the permitting and inspection process.
2. Ensure the safety of buildings and construction sites by enforcement of the Florida Building Code through the permitting and inspection process.
3. Commit to working with citizens and business owners in a collaborative effort to preserve and improve the appearance and condition of properties as well as the quality of life in the City of Coral Gables by responding to Code-related issues and enforcing the City, Zoning, and Florida Building Codes.

DEVELOPMENT SERVICES

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS

- ✓ Refining integration of Energov, our permitting software, allowing for more efficient fully digital plan submittals, easier inspection requests, access to online systems, and payments for citizens.
- ✓ Refining integration of Bluebeam, our digital plan review software, allowing fully digital plan reviews.
- ✓ Refining the 311 online system to allow for Code Enforcement complaints to be input and tracked online.
- ✓ Refining a new call-center type telephone system to measure call volume and ensure accountability for staff members, tracking phone calls received, missed, answered, and call lengths.
- ✓ Developing the City's Comprehensive Plan Map Series to be interactive and GIS-compatible, intergraded with the current online Zoning Code
- ✓ Expanding the public notification of proposed development projects and specific Zoning-related items via email to the growing amount of subscribed residents
- ✓ Developing and updating a central online location of information, materials, drawings, design guidelines, and other resources for Coral Gables Mediterranean architecture and design
- ✓ Improving the access and availability to proposed development plans and e-comment for public hearings and workshops
- ✓ Refining modernization of the City's Board of Architect's review processes from paper to digital processes, with the goal of ultimately allowing significant cost savings to applicants and saving time by allowing the Board's findings to be posted online immediately.
- ✓ Working towards modernization of the City's Certificate of Use processes to allow for online processing and payments.
- ✓ Working towards transferring remaining Eden processes into Energov, reducing the need for use of the previously used Eden software.
- ✓ Working towards improvement of the processing of impact fees, allowing for more transparent division of funds and automating the accounting of impact fees.

Historic Resources & Cultural Arts

Department Function:

The Historical Resources & Cultural Arts Department promotes the historic heritage of the City through local historic designation, the design review process of alterations to historic properties including City-owned historic properties, the review of demolition requests, and the maintenance of the City archives. The department also oversees the City's Cultural Grants and Art in Public Places programs and manages the Coral Gables Merrick House and Pinewood Cemetery. The department staffs six boards: Historic Preservation Board, Coral Gables Merrick House Governing Board, Pinewood Cemetery Board, Landmarks Advisory Board, Cultural Development Board, and the Arts Advisory Panel.

Department Goals:

1. To advocate for and educate about the importance of preserving historically significant properties and the benefits of cultural programs, including art in public places.
2. To provide exceptional service to the owners of historic properties, to guide the preservation of City-owned historic properties, and to enhance the public's cultural experience by reviewing the City's cultural grants and public art proposals and by providing tours of the Coral Gables Merrick House.
3. To provide adequate and complete protection for the historic fabric of the city, its archives, and its public art by providing proper maintenance techniques to the Public Works Department and using proper storage techniques for the city archives.
4. To maximize opportunities for City projects through effective budgeting and capitalizing on outside funding support and efficient use of available resources.

EXPENDITURE/PERSONNEL COMPARISONS

Public Works

Department Function:

The Public Works Department is a large, full service, multi-disciplinary organization providing a vast array of infrastructure services, including sanitary sewers, storm water control systems, transportation improvements, right-of-way maintenance, general services operations, solid waste, fleet maintenance, landscaping and tree succession planning and sustainable resource management. The Department also provides various support services to all other City Departments.

The Department is represented by a multitude of professional and licensed/certified disciplines working in the following divisions:

The **Fleet Division** is responsible for the acquisition, maintenance, and disposal of all City vehicles and heavy equipment. The Division also provides fueling services to the City's fleet.

The **Central Division** receives and manages all customer service-related requests submitted via telephone, email, and in-person by residents, visitors, other City departments, and outside agencies. The Division routes requests to the proper divisions within the Public Works Department and/or other City departments, municipalities, and agencies. Requests are documented through a customer request platform for proper follow-up and future reference. Further, the Division manages the department's payroll, responds to personnel related matters and other inquiries, manages operational budgets, processes operational and capital project requisitions and invoices, and supports the Department Director, Assistant Directors, Chiefs and Supervisors. Overall, the Division is the bridge between all divisions and supports in consolidating all operations and processes for uniformity.

The **Capital Improvement (CIP) Division** provides managerial functions in the development of the City's infrastructure and vertical projects. The Division is responsible for developing and revising comprehensive capital improvement projects, implementing short-and-long-range programs; coordinating projects with other City departments, contractors, government agencies, outside agencies, and the public as required, and assuring projects are completed in compliance with codes, specifications, and standards.

The **Budget & Capital Fund Division** is responsible for all fiscal responsibilities of the Public Works Department. This division is responsible for reviewing all requisitions, change orders, purchase orders, invoices, budget change requests, preparing of detailed financial statements, financial projections, and capital project management.

The **Engineering Division** is comprised of the Permit Section and Construction Management/Survey Section. Permit Section staff consists of the City Engineer & Permit Section Manager, permit section engineers and construction inspectors. Construction Management/Survey Section staff consists of construction managers, surveyors, and the CAD engineer. The Permit Section is responsible for reviewing permits and overseeing inspections of all construction, erosion control and maintenance of traffic activities along the public right-of-way as well as updates and maintains Public Works standards, as needed.

The **Greenspace Management Division** consists of certified arborists, landscape architects, horticulturalists, and landscape professionals who are responsible for the City's urban forest management, which includes the planting of new trees and ongoing pruning and maintenance of approximately 40,000 existing trees and palms on City properties and public rights-of-way. The Division is also responsible for the landscape maintenance and meticulous beautification of approximately 370 green spaces, parks, parking lots, streetscape plazas, and open areas, which concentrate on planting design and maintenance, irrigation repair, fertilization, and pest control. The Division manages permitting for tree removals and replacements and coordinates those with City arborists and contractors. The licensed landscape architects review plans for development and renovation of public and private properties within the City, working closely with the Planning Department, Parks & Recreation Department, and Development Services, to participate in public design review boards, community meetings, board of architects' reviews, permitting, and construction inspection City-wide. The division is liaison to the Landscape Beautification Advisory Board.

The **Right-of-Way Maintenance Division** provides essential services within the City's right-of-way such as maintenance of streets, roadways, alleys, and waterways. Right-of-way services include street sweeping, pressure cleaning, graffiti removal, asphalt pothole repairs, sidewalk repairs, removal of debris and seaweed from navigable channels, and City-owned bridge maintenance. In addition, the Division manages the traffic equipment for special events and in-house construction and maintenance projects. The Division Director and engineers also serve as liaisons between the City and the Waterway Advisory Board, which consists of community members who actively contribute ideas for the planning and improvements to City canals.

The **Solid Waste Division** provides weekly recycling, garbage, and trash collection for approximately 11,000 single-family homes. The Division provides backdoor recycling services once a week, backdoor garbage services twice a week, and curbside trash collection once a week, resulting in approximately 2.3 million service touches annually. The Division oversees the waste collection contract for commercial and multi-family homes.

The **Transportation Division** performs plans review related to maintenance of traffic permits, implements traffic calming measures, plans and designs for construction of roadway improvement projects, oversees the City's sidewalk and resurfacing programs.

The **General Services Administration Division** is comprised of administrative and building trades personnel covering a wide variety of facilities maintenance, repairs and upgrades in support of the mission of the City of Coral Gables. The responsibility of this unit is to provide a physical environment that will enable our City to accomplish its broader goals and strategic plans. This environment consists of all City-owned buildings, plazas, entranceways, fountains, and streetlights. This section initiates repair orders from internal and external community stakeholders and oversees all routine maintenance functions for buildings and structures. This division assists in City sponsored special events and cultural arts installations. Additionally, the Division oversees the Sign Shop which provides maintenance and replacement of City-owned signs within the public right-of-way.

The **Utilities Division** staff consists of civil and environmental Professional Engineers, licensed electricians, certified sanitary and storm pump station mechanics, wastewater collection system operators, pipeline and manhole assessment technicians, CCTV operators, and stormwater operator technicians who are responsible for the City's sanitary sewer system and stormwater drainage system, which includes sewer capacity, operation, and maintenance as well as the state and county's regulatory compliance. Through the City's sanitary gravity wastewater collection system, the Division manages a daily average of 3.5 million gallons of wastewater. Thirty-five (35) Sanitary Pump Stations service areas (basins), approximately 376,000 lineal feet (71 miles) of gravity sewer mains, and over 1,400 manholes on City properties and rights-of-way comprise the City's sanitary sewer system. The Division manages permitting for new and existing sanitary sewer services and coordinates the construction and repairs to sewer mains and lateral connections. The Professional Engineers in the division review plans for development and renovation of public and private properties within the City, working closely with the planning and development services departments to participate in public design review boards, community meetings, board of architect's reviews, permitting, and construction inspections City-wide. The Utilities Director and engineers also serve as liaisons between the City and Miami-Dade County Environmental Resources Management (DERM) to implement monitoring, education, restoration, and land management programs to protect water quality, drinking water supply, air quality and natural resources that are vital to the health and well-being of all City residents and visitors. The Division also operates, maintains, and manages the City's Storm Drainage systems under the National Pollutant Discharge Elimination System permit program. The City's drainage system includes: two (2) Storm Pumps Stations, approximately 2,662 Inlets/catch basins/grates, 105,600 lineal feet (20 miles) of pipes/culverts and 108 outfalls. The Division's operators and technicians receive and resolve resident's emergency calls 24x7 (e.g. line obstructions, sewer back-ups, storm/flooding, etc).

Department Goals:

1. Provide essential services and superior customer service to City residents in a prompt, courteous, and effective manner.
2. Protect, maintain, and improve the City's natural and built infrastructure through sustainable design, construction, and operational planning.
3. Provide safe, sustainable, and aesthetically pleasing public facilities for residents and visitors.

2024-2025 BUDGET
PUBLIC WORKS

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS

- ✓ **Customer Service.** The Central Administrative Division is averaging 2,700 monthly calls and 1,400 monthly customer service requests.
- ✓ **Keep Coral Gables Beautiful Program Partnership.** During FY24, Greenspace Management collaborated with the KCGB, for clean- up and planting projects to improve the landscape at the Douglas and Alhambra historic entrance, Fewell Park, and the Pinewood Cemetery. Approximately 20,000 lbs. of invasive exotic plants were removed at these sites utilizing volunteer assistance.
- ✓ **Citywide Landscaping Improvements.** Greenspace Management Division planted approximately 125 new trees on City swales and in public green spaces to provide additional shade and environmental benefits, while certain trees were removed in rights-of-way for health and safety reasons. Significant new landscape projects were completed for the Taragona waterway, Salvadore Park swale, Coral Gables pro shop, and Kings Bay entrance right of way.
- ✓ **Black Olive Treatment.** Treated 2,000 Black Olive trees in the City’s urban forest for pest control as part of the ongoing Black Olive treatment program to help with staining of sidewalks and property caused by mites and caterpillars feeding on trees.
- ✓ **Landscape Design.** Provided in-house landscape architectural design for the following City sites: Taragona Waterway, Coral Gables Country Club and Pro Shop, Kings Bay entrance right of way, and US 1 medians in the City.
- ✓ **Site Maintenance.** Coordinated the landscape maintenance of approximately 400 City greenspaces. Refined processes for the City’s mapping technology, Cartegraph, to accurately catalogue City assets on-site including trees, irrigation equipment, trash and recycling receptacles, furniture, and other amenities to streamline and organize internal maintenance work orders.
- ✓ **Tree Maintenance.** The Greenspace Management Division managed the professional pruning of approximately 8,000 trees in public right of way and parks.
- ✓ **Motor Pool.** Maintain 92% of all classes of equipment and vehicles available and ready for use within the operational requirements outlined in the Equipment Availability Codes (EAC).

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ **Solid Waste.** Successfully implemented two new systems to the Solid Waste Operations: Rubicon Smart City's routing optimization software, which will assist with the balancing of routes and improve route efficiency. Rubicon bases our optimization recommendations on observed fleet data through our in-truck technology combined with pre-existing data from our city. We've focused more on a robust way to service the residents of the City Beautiful by using technology and reducing the amount of paper consumption.
- ✓ **Video Capability of Solid Waste Vehicles.** Lytx DriveCam is a driving tool that uses the power of video and data to improve safety, efficiency, and productivity. 71 cameras were upgraded with Artificial Intelligence Triggers such as Machine Vision, in-cab audible alerts, live video, and fleet tracking. With Machine Vision and artificial intelligence (MV+AI), Solid Waste can efficiently and accurately capture risk, alert drivers to address risks on the road as they happen, and support staff with coaching tools to change distracted driving.
- ✓ **Pump Station E Force Main Bridge Relocation Project.** The Utilities division completed the relocation of a 12-inch sewer force main pipe off the LeJeune Road and S.W. 57 Avenue Roadway Bridge to the Pedestrian Bridge connecting Cartagena Park to Ingram Park.
- ✓ **24-Inch Force Main Replacement Granada/Ponce De Leon Blvd Project.** The Utilities Division has nearly completed the pipe replacement of approximately 9,500 LF of existing 24-inch force main along Ponce De Leon Blvd from South Alhambra Circle to Granada Blvd. and along Granada Blvd. from Ponce de Leon to Bird Road. The replacement is necessary as the existing force main has reached the end of its useful life and it is necessary to improve the reliability and functionality of the line and ensure compliance with Miami-Dade County's consent decree. This work will be completed before the end of calendar year 2024.
- ✓ **Cocoplum No. 3 Pump Station and Force Main Project.** The Utilities Division completed construction upgrades to the existing sewer pump station and force main with the replacement of pumps, electrical panels, telemetry, and extension of approximately 1,200 L.F. of new 4-inch PVC force main pipe.
- ✓ **Journey's End Pump Station and Force Main Project.** The Utilities Division completed construction upgrades to the existing sewer pump station and force main with the rehabilitation of existing wet well, installation of new pumps and valve vault box, electrical panels, telemetry, and extension of approximately 1,600 L.F. of new 4-inch PVC force main pipe.

2024-2025 BUDGET

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ **City 2 Basin Gravity Main Pipe Upsize.** The Utilities Division completed construction upgrades to approximately 1000 L.F. of existing sanitary sewer gravity main along Alcazar Ave. between Ponce de Leon Blvd. and Galiano St. and along Galiano St. between Alcazar Ave. and Alhambra Cir. by upsizing 18” and 21” pipes to 24” pipes to improve the carrying capacity of the sewer collection system for City 2 pump station. This project will be completed by end of fiscal year 2024.
- ✓ **Septic to Sewer Assessment.** The city is currently developing a septic to sewer assessment plan to identify and delineate new sewer basins for conversion of septic tank systems to a new gravity sewer pipe system with pump station/force main to divert sewage discharge to Miami Dade County wastewater treatment plant. The draft has been completed. The final report is expected by end of calendar year 2024.
- ✓ **Drainage Projects.** The Utilities Division completed 16 new drainage projects consisting of the installation of new catch basins, french drains, and the rehabilitation of existing pipes.
- ✓ **Canal Bank Stabilization Project.** The Utilities Division completed the construction of the canal bank erosion control system application along the Coral Gables Waterway (Tarragona Drive) between SW 57th Ave and Alhambra Circle.
- ✓ **Completed Capital Improvement Projects in FY24.** The following capital improvement projects were completed or have been substantially completed by the CIP Division:
 - Country Club Roofing
 - Museum Roofing
 - Salvadore Park Dog Run
 - White Way Lights Phase II
 - Pierce Park Renovation
 - Solano Prado Renovation
 - Youth Center Painting and Waterproofing
 - Granada Golf Course Diner
 - Granada Golf Course Pro Shop Renovation
- ✓ **Traffic Calming.** As part of the ongoing traffic calming efforts, Public Works completed 9 traffic calming devices this fiscal year. By the end of fiscal year 2024, the City will have installed a total of 65 traffic calming devices to date. Next fiscal year, the City-wide traffic calming project will have 75 pending traffic calming devices installed.

**CITY OF CORAL GABLES, FLORIDA
2024-2025 BUDGET**

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ **Crosswalks and Sidewalks.** Public Works replaced approximately 4 miles of damaged sidewalks and 87 ADA detectable warning mats this fiscal year. Over 1 mile of new sidewalk was installed as part of the University Drive sidewalk project.
- ✓ **Energy Efficiency.** Through various energy efficiency measures such as conversion of indoor/outdoor lighting to LED fixtures, installation of more energy-efficient HVAC units, Energy Star certified equipment, etc., the City has lowered energy consumption by 4.2% over the first 9 months of the fiscal year based on the 2014 baseline. This figure would be even greater had the City not acquired additional/new facilities.
- ✓ **Water Efficiency.** Through various water efficiency measures such as installation of low flow toilets, AMI meters, native landscaping, etc., the City has lowered its overall water consumption (City facilities and irrigation) by 8.4% over the first 9 months of the fiscal year based on the 2014 baseline. This figure would be even greater had the City not acquired additional office space and parks/open spaces.

Action Plan Worksheet

Action Plan Owner: Hermes Diaz, P.E., Public Works Director

Action Plan Name: 1.3.3-1 Decrease incidence of vehicle-pedestrian accidents, pedestrian injuries, and falls

Strategic plan alignment

- Objective – 1 – Customer-focused Excellence: Provide exceptional services that meet or exceed the requirements and expectations of our community
 - Goal 3 - Improve mobility throughout the city by reducing the intensity of traffic

KEY tasks that must be accomplished, deliverables, and measures of success (Plan of Actions/Milestones)

What must be done	By When	How will it be evident
Request vehicle-pedestrian accident data with locations.	01/01/24	Spreadsheet generated
Generate heat map based on compiled data.	06/30/24	Heat map generated
Review data and identify correctable locations.	07/31/24	Spreadsheet generated
Identify areas of high incidence rates.	07/31/24	Generate report
Share data with other Departments as needed.	08/31/24	Email
Prioritize repairs or projects.	04/01/25	Compile list
Allocate funding for projects identified.	10/01/26	Purchase Orders
Project execution and completion.	Ongoing	Heat map updated

Resource requirements (what do we need to succeed?)

- Time (of the project team members and others as appropriate – examples below):
 - Informatics Person – 80 hours.
 - Program / Subject Matter Experts – 40 hours.
 - Project Manager – 780 hours.
 - Construction Manager – 1,500 hours.

- Finances (detailed listing of expected costs):

Action Plan Worksheet

Action Plan Owner: Hermes Diaz, P.E., Public Works Director

Action Plan Name: 6.2.6-1 Maintain at Least 40 Percent Tree Canopy

Strategic plan alignment:

- Objective: Provide exceptional services that enhance the local and global environmental ecosystem, enrich our local economy, and strengthen the health and well-being of residents, businesses, and visitors.
 - Goal: Support the use of environmentally friendly practices.

KEY tasks that must be accomplished, deliverables, and measures of success (Plan of Actions/Milestones)

What must be done	By When	How will it be evident
Plant new canopy trees in public right of way where trees must be removed to provide a succession of the urban forest canopy in perpetuity.	In perpetuity	Inventory of canopy trees

Resource requirements:

Maintain the professional expertise of the following staff members currently in place to manage and supervise both the tree and landscape maintenance contracting companies currently under contract for the maintenance of approximately 40,000 City right of way trees existing:

- 1 Landscape Architect, 2 certified arborists, 1 horticulturalist, 1 landscape designer, 20 tree installation and maintenance crew members already on staff. The employ of up to 6 temporary workers is required to perform the proper scope of service and is already budgeted.
- Tree Planting Budget to remove, dispose of debris, then plant approximately 150 trees / year.
- Perform tree removal / mitigation plan reviews submitted through the development services department to obtain and manage “Tree Trust Fund” mitigation payments to purchase additional trees. Tree Trust Funds (outlined in chapter 82 of City code) supplement the annual budget allocated to the greenspace management division of public works for tree purchases.
- Finances (for tree purchases and paying contracted companies with contracts already in place):

\$ Amount	Purpose
\$ 300,000	Cost to purchase and install 150 new shade trees per year (already budgeted).
\$ 1,205,672	Cost to hire tree contractors to perform tree maintenance and removals per year.
\$ 920,478	Cost to hire landscape contractors to perform tree planting and general greenspace management services
\$ 2,426,150	Total to maintain tree canopy at 40% coverage per year (not including City staff salaries and benefits in place).

- Technology: (already in place in the Greenspace Management division of Public Works):
 - Maintain computers and iPads for staff to utilize in the field to map tree planting and removal.
 - Trucks and landscape equipment for staff to perform tree planting and maintenance tasks.
 - Itree.com software (by USDA Forest Service) to measure tree canopy cover by mapping.
 - Cartegraph program to map sites and quantities of trees existing and to be planted.
- Knowledge/Training: (ongoing for current staff in place):
 - Professional City staff is required for proper supervision and coordination of tree and greenspace management contractors and temporary workers. Staff must be credentialed with education in the fields of landscape architecture, arboriculture, botany, and horticulture to design, plan and supervise contractors and staff maintenance workers. Professional licenses and continuing education courses are required yearly for professionals to maintain licenses and remain current with latest technology and methods in the industry.
- Other
 - Space for contractors to park tree maintenance equipment (5 trucks, 1 chipper, and a dumpster) is needed in the current public works yard. This space is already provided for on the public works site.

Short- & Longer-term measures of success, targets and / or time horizons

Frequency & venue of mapping of data:

- Weekly project team meeting to plan and implement tree planting, removal, and pruning schedules.
- Daily site visits and supervision on approximately 380 City right of way job locations.
- Yearly measure of tree canopy coverage using satellite technology database. (Itree.com is a free satellite database provided by the USDA Forest Service).
- Staff answers resident tree maintenance requests for right of way trees by Gov Qa software, currently in operation, at the rate of approximately 150-200 tree pruning requests per month. There is a waiting time to fulfill tree pruning requests for a period of 3 months in the current contracts and budget for staff. Additional tree crews would be required to reduce the work request waiting time.
- Quarterly report to Hermes Diaz.
- Quarterly report to City Manager

Who are the stakeholders / what is the anticipated impact on them?

Stakeholder Group	Potential positive impact	Potential negative impact
Workforce	<ul style="list-style-type: none"> • Retain employment and learn skills. 	<ul style="list-style-type: none"> • none

Regulators	<ul style="list-style-type: none"> • Prevent depletion of canopy by over-development and removal. 	<ul style="list-style-type: none"> • None

Positive financial impacts:

Approximately 2.5-million-dollar investment per year for tree purchases and maintenance of contractors in place.

- Financial benefits: Property values are proven to increase in neighborhoods with high tree canopy coverage.
- Environmental benefits: Water /flood management, filtering pollution, providing shade to reduce heat island effects in urban areas, creating oxygen to sustain life through evapotranspiration, and providing wildlife habitat in urban areas.
- Time to see return on investment is immediate upon planting of a tree.

Negative financial impacts:

- Damage to urban infrastructure due to expanding tree root systems requiring repair to sidewalks, curbs, drainage piping and grates, paved plazas, etc.
- Property damage claims from residents for falling branches, fruit, and staining.

Department Function:

The Finance Department is responsible for centralized financial management, record keeping, budget preparation, payroll, and procurement for all departments of the City. The Department issues business taxes, alarm permits, garbage and trash bills, other City billings, receipt of various payments from City residents and departments, and purchase of goods and services. The Department prepares quarterly Financial Reports, the Annual Comprehensive Financial Report, and the Single Audit Report. It also prepares the City's operating and capital budgets and monitors compliance with the adopted budget.

The Department's work program is divided among five separate divisions. The Administrative Division is responsible for the finance administration of the department and its divisions. The Collection Division is responsible for the investing of the City's surplus funds, billing, collection and processing of all taxes and fees (business taxes, special assessments, garbage and trash removal fees, alarm service charges, lease payments) and a city hall receptionist. The Accounting Division maintains the City's financial accounting records, prepares financial reports and is responsible for payroll. The Management and Budget Division develops in partnership with other departments the City's operating and capital budget, coordinates strategic planning, grants coordination, and internal/external audit oversight. The Procurement Division is responsible for providing City Departments with supplies, equipment, and services necessary to perform city activities. This Division is charged with the responsibility of professional purchasing, including development and review of bid specifications, administration of the formal bid process, contract administration, and sale of fixed assets.

Department Goals:

1. Timely preparation of Annual Comprehensive Financial Report (ACFR).
2. Preparation of City's Operating and Capital Budget in compliance with City's charter and State of Florida laws.
3. Ethical and transparent financial management of the City's financial resources.
4. Maintaining AAA bond ratings from the three major rating agencies.
5. Courteous and professional services rendered to the City's residents and other internal/external customers.
6. Issuance of all solicitations in transparent and ethical manner.
7. Award and maintain contracts that are compliant with all local, state, and federal requirements.
8. To manage all p-card transactions and payment in accordance with City policy and regulations.

Innovation and Technology

Department Function:

The Innovation and Technology Department (CGIT) works together with the city's leadership and departments as a key strategic partner bringing value, efficiencies, resilience, innovation, and process improvements across organization through technology solutions, smart city initiatives and projects. CGIT also helps departments achieve accreditation and compliance with federal, state, county, city and industry standards, regulations and best practices. CGIT plays an important role in facilitating communication between employees, constituents and stakeholders; fostering innovation and collaboration, expediting tasks, increasing productivity and operational efficiencies, assessing and managing risks, and enhancing the delivery of citizen services. Smart technologies, digital transformation and innovation programs led by CGIT also help our City become more sustainable, resilient, and livable; improve quality of life, foster economic growth and digital inclusion, develop high-tech innovation districts, and grow an entrepreneurial tech ecosystem and community of excellence that creates jobs and attracts talent and investment. CGIT is responsible for strategic planning, oversight, management, improvement and execution of citywide IT services, operations, infrastructure, and initiatives for the City's business needs. This includes, but is not limited to, digital services, business analysis, service desk and multi-tier tech support; systems and software engineering, programming; data governance, management and analytics; server and client computers, enterprise applications, wired and wireless telecommunications, cloud computing, cybersecurity; smart city technology and infrastructure engineering, design and integration; public safety technologies, Internet of Things (IoT) and cyber-physical infrastructure, advanced automation and analytics powered by artificial intelligence (AI) and machine learning (ML); process improvement and optimization, and compliance with government and industry standards and best practices.

Department Goals:

1. Provide a high quality of service for internal and external customers and stakeholders by pursuing a level of excellent customer service. Bring value to the City and its constituents by leveraging technology, innovation and creativity to achieve the City's vision, mission and goals.
2. Provide the right technology solutions to ongoing and new requirements and challenges from internal and external customers and stakeholders. Provide adequate infrastructure resources and capacity for existing services and applications, and provision for planned enhancements, emergency scenarios, projected growth, and demand forecast.
3. Save costs and cut waste in infrastructure, services operations, energy use, carbon footprint, and maintenance overhead. Drive continuous improvement of citywide operations, maintenance, research and development practices through standardization, innovation, automation, citywide lean six sigma process improvements, quality assurance, and optimization of I.T. processes and infrastructure.
4. Advance Smart City programs with sustainable use of resources, citizen engagement, excellent public safety services and smart technologies for advanced and responsive citizen services. Leverage existing and emerging innovative technologies and skillsets to increase efficiency for the entire City. Implement smart technologies to improve quality of life, sustainability, resilience, and livability in our City.
5. Improve and guarantee resilience, security, service levels and quality assurance, business continuity and high availability of services during emergency events as well as during normal operations.
6. Facilitate compliance with federal, state, county, city and industry standards, best practices, rules, and regulations for information management, security and public safety, sustainability and environmental conservation, financial regulations, government controls, and any other applicable area of compliance.

7. Build and maintain a strong and cohesive team of I.T. professionals with high standards of responsiveness, integrity, dedication, competency, skillset, expertise, leadership, customer service, work ethics, loyalty, innovation, accountability, teamwork, collaboration and accessibility. A successful team that is focused on innovation, smart work, and exceptional customer service in a fiscally prudent manner. Enable those on the team we lead to reach and fulfill their own potential and goals.
8. Develop high-tech innovation districts with digital inclusion and intelligent and connected infrastructure for citizen services and community programs. Help our city grow an entrepreneurial tech ecosystem and a community of excellence that generates revenue, creates jobs, and attracts talent and investment.

INNOVATION AND TECHNOLOGY

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS

- ✓ Technology engineering and provisioning milestones for ongoing building projects, including Minorca Parking Garage 7, Coral Gables Country Club, Granada Pro Shop, City Hall renovation, Passport Office renovation, 338 Minorca Ave. Office, New Fire Station 4; Parking, Finance, and HR office relocations and reprovisioning, and other projects.
- ✓ Working with Finance, Human Resources, project Executive Steering Team and Working Groups, completed the implementation and go-live of the Global HR (GHR), Workforce Management (WFM) / Payroll, and Questica Budget Preparation components of the City's new Core Financial, HR and Supply Chain Enterprise System (INFOR CloudSuite ERP). These successful cutovers completed the implementation of the City's ERP Cloud Suite project. This enterprise business capabilities (EBC) advanced system completes the transition to paperless processes and digital efficiencies citywide, integrating with several other enterprise systems recently implemented in key areas such as infrastructure services, community recreation, electronic permitting, waste management, public safety, citizen engagement and asset management.
- ✓ Completed Phase I (Alhambra Circle Financial Corridor) and Phase II (Ponce de Leon and University Drive commercial corridor) of the broadband and public Wi-Fi expansion project, building additional fiber optics segments to connect multiple city buildings and facilities and install additional smart city poles to improve/enhance connectivity, mobility, public safety, network resilience, situational awareness, digital inclusion, and citizen services, and foster innovation, quality of life programs and economic opportunities for the entire community, with a regional impact.
- ✓ Working with the Office of Communication and the City Clerk's Office, completed the implementation of the City's new City Mobile App, Mobile Digital Experience Platform (DXP) and Customer Relationship Management (CRM) 311 citizen center platform (Salesforce). This platform provides advanced communication capabilities for Coral Gables residents, businesses, and visitors, including a chatbot AI assistant and text messaging and notification functionalities.
- ✓ New smart city AI-powered modular pole featuring the Coral Gables v3 award-winning custom industrial design was installed in the Alhambra Cir. financial corridor. This new design was created as a collaboration between our City, Ekin, and Pininfarina, with SME advice from the University of Miami School of Architecture. The CGIT team worked with engineers and contractors installing the new pole (the second in the corridor). This new pole –connected to the City's Community Intelligence Center (CIC)– provides free public Wi-Fi, CCTV, traffic/environmental IoT sensor data and traffic safety automation, and enhances public safety in that busy area of our central business district.

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ Working with Police, Fire and 911 Communications, implemented the final phase of the new Police/Fire/911 CAD and RMS cloud suite (Mark43) for its June 2024 go-live. The new smart public safety cloud-native system features advanced and smart data reporting, mobile applications, systems integration and interoperability, with a robust and resilient platform and automated electronic process capabilities and functionalities for public safety. The user interface is modern and provides a seamless experience for users, with accessible and integrated up-to-date geospatial information, and advanced record management capabilities with streamlined workflows, intuitive search, and native NIBRS record format validations.
- ✓ Implemented multiple network and computer upgrades and additions: over 250 user computers and end-point devices deployed citywide; 25 additional CCTV Cameras deployed to control illegal dumping in residential neighborhoods; Public Safety trailers retrofit with camera upgrades and advanced analytics; Wireless Point to Point antennas city wide backhaul upgrade for higher bandwidth and stability (Region Bank, Alhambra Circle, UM one tower, Fire Station 3), Cartagena Circle and Ingraham Park public safety equipment upgrade with latest technology of Wireless Point to Point links, switches, CCTV cameras and sensors; Cocoplum bridge ALPR pole site upgrade with latest hardware and software; Deployment of cell signal boosters in various city facilities.
- ✓ Responded to and addressed over 2,300 IT service support tickets received from internal and external customers; implemented over 50 medium-to-large enterprise IT projects; and maintained and supported a comprehensive indoor and outdoor technology infrastructure throughout city districts, buildings and facilities, including over 2,900 hardware equipment/devices (servers, desktops, laptops, tablets, smartphones, routers/switches, firewalls/filters/gateways, wireless, phones, storage, audio/video, cameras, and trailers), and over 190 off-the-shelf and homegrown enterprise software applications.
- ✓ Implemented several GIS systems and improvements: Asset management data dashboards developed for Greenspace Management and Facilities Management businesses of Public Works; Launched revamped and improved Smart City Digital Twin GIS web application; Completed floodplain management system configuration and kicked-off API integration with the City's permit system; Implemented Utilities field work in the Asset Management system; Developed new, improved email Public Notice secure web application.
- ✓ Developed multiple homegrown applications for various city functions and departments (public safety training system, data analytics dashboards, geospatial systems and apps, augmented reality and artificial intelligence apps for residents and visitors, development services and public works digital tools, and other applications.)
- ✓ Worked with Economic Development, Gables TechTank incubator partners, CGIT Lab team, Miami Tech Talent organizations, and education partners (UM, FIU, MDC, Coral Gables High School, and others) developing tech talent and internship programs and connecting them with jobs and career development opportunities.

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ Smart City Digital Twin Platform Redesign – CGIT reengineered the City’s Digital Twin smart city platform and implemented multiple upgrades and improvements that went live in December 2023: New advanced 3D photogrammetry and mapping and object modeling for buildings (BIM), RoW objects, trees are now visually represented with their real species in sync with our asset management systems, city trolleys dynamic visualization from integration with fleet management systems, smart city infrastructure (sensors, telecom, public Wi-Fi, smart lights, kiosks), city parks, green areas, streets/roads/RoW assets; better data integration and interoperability with the City’s enterprise systems (AM, EPL, ERP, CMS, smart parking systems, LiDAR photonics ROW StreetSmart digital environment, IoT urban analytics platform, Smart City Hub, County GIS and CIP/ROW projects/infrastructure/assets, external HPC's), AI-powered process automations, hundreds of 3D geospatial open datasets, integration with Google maps, Waze, and other GIS platforms, UX improvements and new menu layout and design.
- ✓ Launched Phase 3 Reengineered Version of the AI Digital Assistant (AIDA). Recent enhancements include integration with Large Language Models (LLM) and improved ontology, heuristic, and Natural Language Programming (NLP) algorithms; integration with other bots across the City's enterprise systems and the launch of other AIDA personas such as our new 311 CRM chatbot and the City Website chatbot. AIDA was initially developed in 2021 as part of the NSF-funded STIR Labs initiative, by a government-academia joint research team integrated by our CGIT team, researchers from University of West Virginia Human-Computer Interaction Lab (WVU-HCI) led by world-renowned AI and HCI expert Dr. Saiph Savage (MIT, WVU, NWU), the UC Berkeley Innovation Group (BIG), Stanford University, and the City Innovate STIR Labs cohort. In Phase 2 (2021-22), CGIT collaborated with graduate students from University of Miami's Institute of Data Science and Computing (UM-IDSC) enhancing AIDA's NLP models and decision/recommendation engine; and in Phase 3 (2023), CGIT reengineered AIDA with the latest enhancements and integrations mentioned above.
- ✓ Completed Year-1 milestones and kicked off Year-2 phase in Coral Gables of the Autonomous Intelligent Assistant (AutonomIA) traffic/energy AI optimization project – funded by the U.S. DOE Advanced Research Project Agency (ARPA-E) – with scientists from the Pacific Northwest National Laboratory (PNNL), UC Berkeley, industry partners and City engineers from the City of Coral Gables Innovation & Technology and Public Works departments. This exciting R&D project combines artificial intelligence, multiscale simulation, and real-time control to improve energy efficiencies and reduce energy expenditures, congestion, and emissions for regional transportation systems for multiple operational scenarios. Our project team is showcasing AutonomIA on a small-scale traffic network in Coral Gables for varying Connected and Automated Vehicles (CAV) penetration levels to demonstrate these gains. Project execution is undergoing, and the teams have already developed a smart traffic network digital twin environment for various Coral Gables testbed traffic corridors (Ponce de Leon Blvd., Alhambra Cir., and Miracle Mile), published scientific white papers, started field testing, and completed other key project milestones.

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ City of Coral Gables was named a winner in the 2024 IDC Smart Cities North America Awards. The city was selected as the winner in the Sustainable Infrastructure category at the 2024 IDC Smart Cities North America Awards, for our project "Coral Gables Custom Smart City AI-Powered Modular Poles". These awards recognize municipalities that achieved success in leveraging emerging technology and innovation to support Smart City initiatives.
- ✓ Coral Gables was named one of the world's Top 7 Intelligent Communities of 2024 by the Intelligent Community Forum (ICF), for the second year in a row. The announcement was made at the Smart Cities and Intelligent Communities conference, conducted as part of the Taiwan Smart City Summit & Expo in Taipei. In 2024, the ICF recognized intelligent communities from seven nations over five continents, named as finalists in ICF's annual Intelligent Community of the Year Awards Program. Each of the cities, towns, or regions that received the ICF Top 7 award have applied six principles evaluated by ICF: i. Broadband Connectivity, ii. Sustainability, iii. Knowledge Work, iv. Digital Inclusion, v. Innovation, vi. Community Engagement.
- ✓ City of Coral Gables Received the 2024 Smart 20 Award. The city received the award from Smart Cities Connect and Smart Cities Connect Foundation, for our project "Coral Gables Custom Smart City AI-Powered Modular Poles". The Smart Cities Connect organization said: "The Smart 20 Awards annually recognize global smart cities projects, honoring the most innovative and influential work." This is CGIT's third Smart Cities Connect international award – our team also received it in 2023 for the project "Coral Gables Digital Twin Smart City Horizontal Integration Platform" (one of the top three global winners) and in 2020 for the urban infrastructure project "Coral Gables Smart Districts Expansion."
- ✓ City of Coral Gables received the Connected City Innovator of the Year recognition from the Dense Networks think tank and the Connected Cities organization.
- ✓ Collaborated with the National Institute of Standards and Technology (NIST, U.S. Department of Commerce) on the development of a federal strategic plan and framework for smart cities, published by NIST in 2024. Worked together with the leaders of the Smart Cities program within the NIST Communications Technology Laboratory, the NIST Global Community Technology Challenge (GCTC) think tank, and George Mason University (GMU) scientists developing the national strategic foundation. NIST published a new strategic plan for its Smart Cities program in 2024, which references Coral Gables contribution and smart city case studies. The plan was made available for public comment on the federal NIST webpages.
- ✓ Presented the City's smart city innovation and technology initiatives at professional events, creating productive partnerships with experts in academia, government and industry professional organizations and increasing outreach and adoption of City technologies. Also, the City of Coral Gables Innovation and Technology team (CGIT) hosted the Cities Today Institute (CTI) City Leadership Forum (CLF) on Digitalization at the City of Coral Gables Community Meeting Room (CMR). The CLF brought together 20 North American city leaders to our city to exchange best practices through roundtable discussions, Q&A sessions, case study presentations and site visits. CGIT also hosted during

The ELP is a tech leadership education program developed by the CTI and Harvard University, specially crafted for young city tech leaders to improve their innovation leadership and business acumen for smart city programs.
- ✓ Authored and submitted papers and articles to professional publications, including engineering research papers for the Institute of Electrical and Electronics Engineers (IEEE), Smart Cities Americas, and CIO Magazines. Also, Florida International University (FIU), U.S. DOC, NIST, U.S. DOE, PNNL, Harvard University, IEEE, FES, Gartner Inc., StateTech, Smart Cities America and multiple other organizations published case study videos, papers and articles highlighting City of Coral Gables smart city initiatives and accomplishments.
- ✓ Several STEM research, education and lab internship partnerships and smart city collaboration initiatives with University of Miami, Florida International University, NOVA University, Miami-Dade College, UC Berkeley, Institute of Electrical & Electronics Engineers (IEEE), Cities Today Institute (CTI), Smart Cities Council, Dense Networks Think Tank, U.S. Department of Energy (DOE), Department of State (DOS) and Department of Commerce (DOC), Advanced Research project Agency-Energy (ARPA-E), Pacific Northwest National Laboratory (PNNL), National Institute of Standards and Technology (NIST), World Business Angel Investment Forum (WBAF) Smart City Commission, 4Geeks Academy, Beyond Academics, and other organizations. Also, collaborated with IEEE and NIST in the development of engineering standards and frameworks for smart cities, emergency management and incident response.

Action Plan Worksheet

Action Plan Owner: Raimundo Rodulfo, Innovation & Technology Director

Action Plan Name: 4.1.1-1 Citywide Horizontal Integration of Enterprise Systems and Dashboards

Strategic plan alignment:

- Objective – 4 – Process Excellence: Optimize city processes and operations to provide cost-effective services that efficiently utilize City resources
 - Goal 1 - Enhance the effectiveness of key city processes

KEY tasks that must be accomplished, deliverables, and measures of success (Plan of Actions/Milestones)

What must be done	By When	How will it be evident
Elicit requirements and key metrics information from City department and officials for actionable data dashboards. Perform team meetings to analyze requirements and determine data parameters, thresholds and guidelines for triggers and visualization.	12/31/22	Business Analysis requirement sheets completed from interviews and questionnaires with department heads and city management
Mockup design and prototyping of dashboards for three layers: City Management, Departmental supervisors, and Hands-on/Field teams. Build the dashboards from relevant key metrics with actionable information.	12/31/21	Mockup design sheets and renderings
Develop project charter and scope of work. Stakeholder review and acceptance.	09/30/21	Accepted project charter document
Build an internal City Management Dashboard (CMD) platform on GIS	09/30/22	New CMD platform is accessible by authorized City users from any device connected to the Internet; GIS datasets can be accessed from the platform.
Approval of resource requirements by Budget Office	10/01/22	Decision Packages approved
Procurement of Identity Management System, Cloud-based Electronic Document Management System, and integration professional services	12/31/22	Purchase orders issued
Role-based Identity and Access Management Integration Citywide	10/31/23	Single-sign-on with role-based authentication works effectively on main enterprise systems (ERP, EOS, Asset management, GIS, document management, public safety, etc.) and on the new CMD platform
Connect and populate enterprise data sources into the City Management Dashboard and the Smart City Hub	12/31/22	Data is discoverable in the CMD GIS platform and the smart city hub

What must be done	By When	How will it be evident
Implement and Integrate Cloud-based Enterprise Document Management platform	09/30/22	Records are shared between the document management and other enterprise systems (permits, land management, asset management, etc.)
Build customer-driven data visualization and business intelligence data analytics dashboards in the cloud	01/31/24	Real-time data dashboards are accessible in their cloud silos
Integrate all dashboards and analytics in the City Management dashboard (CMD) platform	01/31/24	Real-time data dashboards are accessible in the CMD platform from any device connected to the Internet
Testing and validation, Training Citi-wide, and go-live	03/31/24	Testing acceptance sheets from stakeholders and training attendance sheets. New CMD platform is accessible from any device connected to the Internet.
Inter-cloud data replication (City Hybrid Cloud-Azure-AWS-ESRI-ERP)	03/31/24	Data is shared between cloud systems, for example: Cisco IoT and Azure exchange sensor data, Land Management & facility Management enterprise systems share data by location, etc.

Resource requirements (what do we need to succeed?)

- Finances (detailed listing of expected costs):

\$ Amount	Purpose
\$60,000	Ongoing funding to acquire subscriptions from a cloud solutions broker, single sign-on & role-based identity management system
\$70,000	Acquisition of cloud document management system (acquired in previous year)
\$30,000	200 hours of professional services of developing and integration
\$160,000	Total

Short- & Longer-term measures of success, targets and / or time horizons

Frequency & venue of review

- Monthly review with I.T. director, assistant director and division managers at the I.T. Department
- Quarterly review with City Manager, Assistant City Manager, and Directors at CMO Meetings

Who are the stakeholders / what is the anticipated impact on them?

Stakeholder Group	Potential positive impact	Potential negative impact
City Manager, ACM, City Officials	Increased visibility into horizontally integrated location-aware data. Improved situational awareness and insight from real-time data to aid decision making, and resource allocation processes. Track quality of life and customer service performance levels (sustainability, resilience, livability).	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.
Department Heads and Supervisors	Ability to access inter-departmental data for easier project planning and solutions design. Increased operational efficiencies and effectiveness from real-time visibility over departmental metrics and customer satisfaction metrics.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.
Hands-on & Field Teams	Reduced manual data entry, reconciliation, and reporting processes. Improved workday planning.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.
Public Safety	Improve visibility, situational awareness and decision-making historical and predictive analytics on public safety data such as crime analysis, real-time traffic, EMS, Fire, 911 PSAP, CAD & RMS, communications, EOC, CIC and others.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.

Stakeholder Group	Potential positive impact	Potential negative impact
Development Services, Economic Development, Public Engagement teams	Provide customer-driven reporting, actionable data and insight to manage permitting, inspections, plan review, developments, planning, concurrency impact, parcel properties, real estate, business licenses, business development, economic growth, marketing, public communications and other parameters. This data will help to promptly detect issues in operations and customer service and apply timely corrections.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.
Public Works, Parks, Historical, Parking Infrastructure teams	Provide actionable data and insight to manage infrastructure and operations to improve maintenance, monitoring of performance and condition of buildings, equipment and ROW assets lifecycle, water and energy consumption, CIP, and other areas. This data will help to promptly detect issues in operations and status and condition of buildings, facilities and ROW assets, and apply timely corrections.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.
Finance	Increased oversight, accountability and transparency on financial management and transactions with real-time visibility and business intelligence analytics over accounts, revenues, expenditures, for financial planning and decision making.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.
Citizens	Increased data transparency, inclusion, accessibility and citizen engagement.	Data entry inaccuracies or data gaps may lead to inaccurate metrics and dashboards.

What are the positive and negative financial impacts (costs / benefits and return on investment)?

- Money:
 - Costs: \$160,000
 - Benefits: \$25,000 reduction in annual IT costs reduction from eliminating the cost of legacy document management system.
- Other benefits:
 - Increased transparency and accountability
 - Cyber-risk reduction and increased security posture from integrated identity management across City enterprise systems, clouds, and platforms. It helps with compliance, accreditation, and ratings.

Frequency & venue of review

- Weekly project team meetings.
- Weekly/monthly/quarterly reports to management and stakeholders.

Who are the stakeholders / what is the anticipated impact on them?

Stakeholder Group	Potential positive impact	Potential negative impact
Workforce	improve Employees, Police/Fire/911 communication, call taking, dispatch, computer operations, incident response, digital functionalities.	Initial discomfort in adjusting to new processes
Program / Subject Matter Experts	More time available for more value-added activities	Initial discomfort in helping others in adjusting to new processes
Sr. Leadership	Improved visibility, reporting, data-driven capabilities	Funds and other resources used for this project are not available for other strategic initiatives
Commissioners	Increased engagement due to staff reaching environmental impact goals	Funds and other resources used for this project are not available for other strategic initiatives
Customers	Improved customer experience	None
Regulators	Improved auditing processes	None

What are the positive and negative financial impacts (costs / benefits and return on investment)?

- Efficiencies and cost reductions from increased efficiencies, visibility and situational awareness for decision making, resource allocation planning and operations.
- Increased transparency and accountability
- Cyber-risk reduction and increased security posture from integrated identity management across City enterprise systems, clouds, and platforms. It helps with compliance, accreditation, and ratings.

Negative:

- New costs: additional annual costs to implement and support the new enterprise systems and the new cloud infrastructure (already included in the project budget plans).

Action Plan Worksheet

Action Plan Name: 4.1.3-1 Implement Smart and Connected Districts, Buildings, and Facilities (Broadband)

Strategic plan alignment:

- Objective – 4 – Process Excellence: Optimize city processes and operations to provide cost-effective services that efficiently utilize City resources
 - Goal 1 - Enhance the effectiveness of key city processes
- Objective – 6 – Sustainability-focused Excellence: Provide exceptional services that enhance the local and global environmental ecosystem, enrich our local economy, and strengthen the health and well-being of residents, businesses, and visitors.
 - Goal 2 - Support the use of environmentally friendly practices.

KEY tasks that must be accomplished, deliverables, and measures of success (Plan of Actions/Milestones)

What must be done	By When	How will it be evident
Expansion of smart districts – broadband/digital inclusion, fiber optics corridors, wireless/public Wi-Fi networks, smart poles/IoT traffic/safety/camera/environmental sensors – 5 phases of expansion	09/30/25	Technology Infrastructure installed, lit and in production
New construction projects, with technology infrastructure and smart building capabilities: PG7, FS4, Mobility Hub, technology provisioning completion	09/30/25	Technology Infrastructure installed, lit and in production
Building renovation projects, with technology infrastructure and smart building capabilities: 427 DSC, City Hall, Fink Studio	09/30/24	Technology Infrastructure installed, lit and in production
Increase monitoring capability from 2 to 9 sensors by 2025 to analyze, understand, and efficiently improve water quality	09/30/24	9 sensors will be active measuring water quality
Increase monitoring capability from 5 to 16 sensors by 2025 to analyze, understand, and efficiently improve air quality	09/30/24	16 sensors will be active measuring air quality

Resource requirements (what do we need to succeed?)

Police

Department Function:

The Police Department is responsible for the protection of life and property and provides a comprehensive range of law enforcement services and crime prevention programs. The Police Department is composed of the Office of the Chief of Police, three operational divisions and two support services divisions.

The **Office of the Chief of Police** includes top Police leadership, as well the Internal Affairs Section, Body Worn Camera Unit, Community Affairs Unit, Fleet Management, Accreditation and Special Projects sections.

The **Uniform Patrol Division** provides the primary 24-hour a day police emergency and routine service response as well as uniform police patrol services. This division has numerous responsibilities which includes protecting life and property through the enforcement of laws and regulations, proactively patrolling assigned areas, crime prevention patrols and crime suppression efforts while responding to calls for police services and conducting preliminary and follow-up criminal and traffic investigations. The Uniform Patrol Division's operations also include S.W.A.T Team, Crisis Negotiations Team, Crime Suppression Team and K9 Team response. Additionally, this division oversees the security guard services offered city-wide.

The **Specialized Enforcement Division** provides specialized police services of traffic enforcement, traffic crash investigation, bike patrol, marine patrol, and mounted patrol. The **Traffic Enforcement Unit** conducts traffic enforcement operations/details for a variety of violations such as speeding, traffic control devices, improper equipment/registration, etc. Members in the unit also conduct traffic crash investigations and secure motorcade/escort service. The **Crash Investigation Unit** officers investigate various forms of vehicle traffic crashes including minor fender benders, hit and runs, as well as those involving serious injury and /or death. Members also participate in traffic enforcement activities. This includes operations/campaigns for Driving Under the Influence (DUI). The **Marine Patrol Unit** patrols the waterways within the city and multi-jurisdictional bay areas. Marine Patrol members enforce applicable regulatory, statutory, and ordinance laws relating to boating and marine safety. The members also investigate vessel crashes and environmental hazards. The **Bicycle Patrol Unit** emphasizes patrol efforts in the new downtown district of Coral Gables. This area includes many businesses, restaurants, shops, and parking garages. The unit members assist the business community with any concerns/problems they may have. The bicycle unit enforces traffic laws, scooter violations and bicycles/skateboards on the sidewalk. In addition, the unit members are available as a resource for both tourists to the area as well as homeless individuals. The **Mounted Patrol Unit** provides high visibility, responds to a variety of special/community events and ceremonies, assists in deterring crime, and engages in community policing. Further, the Special Enforcement Division manages all special events, oversees the red-light camera program and addresses many quality-of-life concerns presented to the department.

The **Criminal Investigations Division** provides services that include criminal investigations, undercover operations, dignitary protection, youth resource programs, crime intelligence and analysis, victim advocacy, and crime scene investigations. Additionally, division personnel actively participate in various local, state, and federal law enforcement task forces.

The **Technical Services Division** provides services that include the Communication Section, Records Management, Data Management Section, Radio Shop, Community Information Center (CIC), and the Property & Evidence Section. It is responsible for all citywide radio communications, 911 phone service, dispatching of all calls for service 24 hours a day, the secure storage of evidence and the safeguarding and maintenance of all Police Department records. The Division is also responsible for the CIC, which manages and provides evidentiary media that is recorded on the City Video Management System.

The **Professional Standards Division** provides services that includes the Personnel Selection Section, Training Section, Planning and Research Section, Off Duty Section, Payroll Section, and the Administrative & Fiscal Affairs Section. This division prepares the annual Police Department proposed budget estimate and oversees all Police Department fiscal expenditure activity. It is responsible for the recruitment, background and hiring of Police Department Personnel.

Department Goals:

1. Provide exceptional Police services that exceed the requirements and expectations of the community, including residents, businesses, and visitors.
2. Maintain efforts toward crime reduction – crime trends analysis, effective and efficient use of resources, community engagement, and enhanced Police presence.
3. Provide and foster a comprehensive training environment for all Police employees to prepare, support, empower and retain a quality workforce.
4. Enhance community, law enforcement and other partnerships to better combat crime and achieve a safer community.
5. Strengthen communication and awareness through innovative and integrative technology.

Action Plan Worksheet

Action Plan Owner: Edward J. Hudak, Jr., Chief of Police

Action Plan Name: 1.2.3-1 Achieve police response time of 90% of responses within 9 minutes of call for non-emergency and 5 minutes for emergency calls by 2025

Strategic plan alignment:

- Objective - 1 – Customer-focused Excellence: Provide exceptional services that meet or exceed the requirements and expectations of our community
 - Goal 2 - Attain world-class performance levels in public safety

KEY tasks that must be accomplished, deliverables, and measures of success:

What must be done	By When	How will it be evident
Officer Wellness Program (Pilot) to help ensure sufficient officer availability	07/31/22	PSA executed and employee attendance at wellness sessions.
ProQA software acquisition and implementation	02/28/23	IT acquisition and implementation in Communications Section.
Communications Section staffing shortfalls eliminated	09/30/24	Full staffing of Communications Section budgeted positions.
Department staffing – Alignment and expansion of budgeted positions in critical areas of Department	12/31/24	Changes approved by City Manager
Response Fleet Vehicles and Equipment Standards – Align all response fleet vehicles and equipment to law enforcement standards – technology, safety, enforcement capabilities.	12/31/24	Inspection checklists
Department-wide Training of Personnel – Incorporation of simulation systems and broadening training curriculum	09/30/25	Attendance rosters
PSI Meetings – Review of crime rates, response times, crash rates, other performance metrics.	Quarterly	Meeting minutes

Resource requirements:

- Time:
 - Program / Subject Matter Experts – IT and consultants needed for critical software replacements, BWC Program implementation, and other technological needs. Fleet SMEs, particularly for vehicles and associated law enforcement technology/equipment, will be needed. Additional physical trainers and wellness experts for officer safety and wellness programs. Also, possible SMEs for quality assurance for Communications and the Department.

- Finances:

\$ Amount	Purpose
\$1,500,000	Estimated <i>annual</i> costs foreseen regarding BWC Program – ongoing equipment, video storage, redaction, training, and software components.
\$1,500,000	Estimated costs for software requirements, including ProQA ongoing needs, Communications Section technology needs, other department-wide software initiatives.
\$375,000	Estimated <i>annual</i> costs foreseen for capital matrix replacement of Police & Fire Headquarters equipment to enhance training, wellness, reporting capabilities, and response times.
\$300,000	Equipment needs for Department related to Fleet technology replacements and advancements.
\$250,000	Funds needed for Department staffing based on strategic needs assessment of operations and budgeted positions.
\$150,000	Overtime funds to properly budget for the overtime usage of each Police Division (includes backfill for training and task forces).
\$50,000	Increase funds needed for training budget to conduct and expand necessary trainings to Department personnel (including specialized training).
\$7,000	Enhancement and replacements needed for existing equipment related to prisoner van.
\$25,000	Anticipated expenses for an ongoing Officer Wellness Program.
\$4,157,000	Total

- Technology:

- o Enhancement and replacements needed for existing equipment related to prisoner van.
- o Enhancements for Department-wide training.
- o Capital replacement cycle of Police & Fire Headquarters Building.

- HR Support: Recruit, hire, and onboard required personnel

- Knowledge/Training:

- o All staff – 100 hours of total training.

- Other

- o Fleet of vehicles requiring upgrade to latest models and available law enforcement technology, as well as associated equipment for the vehicles.

Short- & Longer-term measures of success, targets and / or time horizons:

Measure	Target	Date
Unit travel time	Non-emergency: 9 minutes or less; Emergency: 5 minutes or less.	09/30/25
<p>Unit Travel Time GOOD ↑</p> <p>The chart displays performance for three fiscal years: FY23 (Actual), FY24 (Planned), and FY25 (Planned). For each year, two bars are shown: a dark green bar for 'Non-emergency: 9 Minutes or Less' and an orange bar with diagonal lines for 'Emergency: 5 Minutes or Less'. All four bars reach the 100% mark on the y-axis, indicating that both targets were fully met in all three years.</p>		
Essential training of personnel	100% of personnel	09/30/25
Officer Wellness Program participation	50%	09/30/25
Communications section staffing levels	95%	09/30/25
Percent of response vehicle fleet meeting law enforcement standards	70%	09/30/25
Percent of response officer availability	75%	09/30/25

Frequency & venue of review:

- Weekly meetings with Department Senior Staff for briefings on Division activities, goals, events.
- Monthly report detailing audits of crash reports and other crime statistics.
- Quarterly PSI meetings with other City Department Heads and internal stakeholders.
- Quarterly Review & Analysis meetings

Who are the stakeholders / what is the anticipated impact on them?

Stakeholder Group	Potential positive impact	Potential negative impact
Police Department employees	<ul style="list-style-type: none"> • Safer work environment; • Career development and skills enhancement opportunities; • Improved job satisfaction and engagement; • Better health and safety of officers and employees 	<ul style="list-style-type: none"> • Training and changes require time, effort, and input from employees.
Sr. Leadership	<ul style="list-style-type: none"> • Overall improved performance from staff. 	<ul style="list-style-type: none"> • Required involvement to direct necessary changes.
Residents and Public	<ul style="list-style-type: none"> • Improved satisfaction with police response times • Less chance of victimization • Reduced exposure to dollar amount awards resulting from civil suits 	<ul style="list-style-type: none"> • Resources required to implement these changes are not available for other projects.

What are the positive and negative financial impacts (costs / benefits and return on investment)?

- Money:
 - Costs: \$4.15 million in costs needed to support Department strategic plans.
 - Benefits: Undetermined savings from having healthier officers and reduced exposure to dollar amount awards resulting from civil suits.
 - Return on investment should be seen annually as plans are implemented and evaluations are conducted.
- Other benefits:
 - Better resident and public response to law enforcement.

Fire

Department Function:

The Coral Gables Fire Department's principle objective is the protection and preservation of life and property. This is accomplished through two distinct functions.

Emergency Services

Emergency Services provides for the immediate response to any emergency that may occur in the City of Coral Gables. Primary Functions are fire suppression, emergency medical services, and specialized rescue.

Community Risk Reduction

Community Risk Reduction provides for programs, actions and services which prevent or preserve the loss of life and property through the identification and prioritization of specific risks to the community. Primary Functions are fire and life safety inspections, public education, fire code enforcement and plans review.

The Fire Department is comprised of the Office of the Fire Chief and three divisions. The Fire Chief is supported by a Deputy Fire Chief, Administrative staff, and a Medical Director. Emergency services and Department operations are under the direction of the Deputy Chief. The Deputy Chief coordinates all Division functions in conjunction with ensuring an effective and efficient emergency response.

The **Professional Standards Division** has the overall responsibility for training and development of all personnel. This division administers and coordinates the public education programs for the community, in conjunction with the Fire Prevention Division. The Professional Compliance Division is the coordinating point for ensuring compliance with Commission of Fire Accreditation International (CFAI) as well as Insurance Services Organization ISO Class 1 designation.

The **Fire Prevention Division** coordinates all Community Risk Reduction (CRR) programs. Amongst the CRR functions are fire and life safety inspections, code compliance, plans review, and public education programs. The Division oversees compliance with the insurance services office (ISO) requirements for our Class 1 Fire Department rating.

The **Logistics & Capital Planning Division** is responsible for the logistical support of all Fire Department operations. The Division manages and coordinates the maintenance and accountability of all Department assets. The Logistics Division is the coordinating point for the procurement and inventory of capital and Department assets. The Division Chief or their designee serves as the project manager for all Department capital projects to include fire apparatus and facilities.

Department Goals:

1. Provide exceptional services that meet or exceed the requirements and expectations of our community.
2. Ensure the financial ability to provide essential services that promote a high quality of life, health, and safety to the residents, businesses, and workforce.
3. Develop a process driven organization through validated processes and procedures.
4. Provide for professional career paths through education and training programs for all stakeholders.
5. Develop and provide for robust Community Risk Reduction programs.
6. Identify innovative and progressive service delivery models and methodologies.
7. Meet or exceed the City's mission, vision, core values and goals outlined in adopted Strategic Plan.
8. Prevent, prepare, protect, mitigate and respond to all hazards.

FIRE

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS

- ✓ **Coral Gables Fire Department Achieves Class 1 Rating:** The Fire Department took part in the evaluation process for Fire Department Community Rating Classification with representatives from Insurance Services Office (ISO). The Public Protection Classification (PPC) report indicated that the Coral Gables Fire Department will maintain the longstanding tradition of achieving an ISO Class 1 rating.

ISO determines a Fire Department's classification by utilizing a Fire Suppression Rating Schedule. The schedule recognizes a community's available resources towards mitigating a first alarm structure fire. The evaluation is based on a uniform set of criteria that incorporates nationally recognized standards developed by the National Fire Protection Association as well as American Water Works Association. The ISO assessment takes into account three (3) major areas which are critical towards a community's ability to respond to a structure fire. The areas evaluated consist of; emergency communications, fire department operations, and water supply. The specific rating schedule; which ranges from a Class 1 to a 10, has proven to be a reliable predictor of potential fire losses in that community. An ISO classification of 1 represents exemplary Fire Department capabilities.

Coral Gables Fire Department ISO Class 1 rating places the department in a unique setting, provided that there are only 498 Class 1 Fire Departments out of 39,000 departments nationwide.

- ✓ **Groundbreaking of Fire House 4:** The Department broke ground on the much-anticipated Fire House Number 4. The station located on Sunset and 52 Avenue will enhance access and response times to areas of the city south of the Gables Waterway, specifically the communities along Old Cutler Road and the west side of the University of Miami.
- ✓ **Community Emergency Response Team (CERT):** The program is a community risk reduction initiative that brings lifesaving skills to our residents. Firefighters – Paramedics continue to teach skills such as CPR, AED, Stop the Bleed, and fire safety throughout our communities.

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ **Emergency Management Division:** The Coral Gables Emergency Operations Division is an integral component within the Fire Department. The structure of Emergency Management is organized to take advantage of the many interdisciplinary skills and resources that exist on an everyday basis. The city takes a participative approach to achieve the fundamentals of Emergency Management. All City Department Directors and staff coordinate efforts to achieve an effective work force.
- The Emergency Management Division maintained an active role in The Community. In line with the City's established Intern and Volunteers program, the Emergency Management Division hosted two interns associated to Florida International University (FIU). Both Interns successfully obtained employment within the Emergency Management profession with Miami Dade County.
 - Florida Recovery Obligation Calculation (F-ROC) is a new initiative, sponsored by the Florida Division of Emergency Management (FDEM) that standardizes, streamlines, and simplifies the Public Assistance process. The Emergency Management Division has successfully completed the Disaster Readiness Assessment and received a validated score. This will allow the city to receive baseline upfront funding post disaster, significantly improving the reimbursement process following a disaster.
 - Professional development and best practice networking is an area that enhances the city position and emergency management capability. In support of the City's Objective to Attain world-class performance, the Emergency Management Division hosted presentations at the National Hurricane Conference and Florida Emergency Preparedness Association (FEPA) Annual Conference.
- ✓ **Fire Cadet Program:** The Coral Gables Fire Department takes immense pride in its Fire Cadet Program's outstanding accomplishments. The program is designed for students currently enrolled in High School; our cadets receive training in CPR, Stop the bleed and fundamentals of firefighting. The curriculum is designed to foster leadership, teamwork, and lifesaving skills. Many of our alumni have transitioned into successful careers within the Coral Gables Fire Department and beyond, equipped with the expertise and dedication instilled during their time as cadets. This year the cadets placed in four competitions held among other cadet post throughout the State of Florida.

Community Recreation

Department Function:

The Community Recreation Department's primary function is to provide the City of Coral Gables residents and guests of all ages, access to first class and an environmentally sensitive system of green and open space, facilities, programs, and events to promote play, health and quality of life. The recreation system provides residents with neighborhood parks and open spaces that offer both passive and active recreation activities and facilities that are linked together with a network of sidewalks, pathways, and bike lanes; and provide public/open spaces that serve as gathering places.

The Department manages, maintains and operates all parks and recreation facilities, including the War Memorial Youth Center, Venetian Pool, Salvadore and William H. Kerdyk Biltmore Tennis Centers, Adult Activity Center, Granada Golf Course and all active and passive parks; is responsible for the permitting of all special events and film permits, and coordinates a variety of special events including the Holiday Tree Lighting, Eggstreme Egg Hunt, 4th of July festivities, Farmers Market, Gables Family Literacy Festival, and many more; develops and implements programs for cultural and recreational activities and provides principles of inclusion to allow for accessibility; identifies geographical deficiencies in levels of service for walkable parks and coordinates capital improvements and acquisitions of land. The Department also manages, maintains, and operates the Coral Gables Country Club, a city landmark that provides club membership activities including fitness center and swimming pool, venue and event rentals and the Le Parc café.

Vision Statement:

"Creating community through memorable experiences."

Mission Statement:

"Enhancing our community's quality of life through exceptional recreational opportunities."

Department Goals:

Provide recreation opportunities innovatively, that elevate the customer experience while preserving our history.

Empower recreation professionals with the tools and guidance to provide excellent services.

Utilize financial resources efficiently and ensuring sustainable cost recovery through responsible processes.

Ensure efficient and consistent business systems by optimizing best practices.

Exceed community's expectations by striving to provide world-class facilities and services.

Protect and preserve the environment by identifying efficient, innovative, and sustainable practices.

Economic Development

Department Function:

The Economic Development department was created in 1989 to foster sound economic growth and quality of life in the City of Coral Gables.

Economic Development

The Department is responsible for marketing and managing the city's economic development initiatives which are designed to support the needs of the business ecosystem. This involves the development and implementation of the city's comprehensive economic development program, business recruitment, and the implementation of economic/planning software tools to provide real-time data, technical workshops and/or webinars to existing businesses and new to market companies, while supporting viable economic development initiatives. The department conducts city sponsored business events, proactively participates in the search for public and private grants to financially assist our small businesses. The department serves as liaison to the city's Economic Development Board.

The Department also oversees the City's international affairs activities, and participates in several multi-departmental efforts, among them:

Retail Development

The Department works to attract retailers and restaurants to complement the downtown and works closely with property owners, landlords and brokers on scouting and introduction to new businesses. The Department works to continuously implement the City's Retail Strategy which contains several goals including increasing a sense of place in the downtown, clarifying signage criteria, and assisting businesses navigate the City's permitting process. Business retention is a strong goal of the Department, working closely with existing businesses by providing workshops, grants, and assistance with relocation.

International Affairs

The Department is responsible for managing the City's Sister Cities Program, the International Cultural Events Initiative, and all communications and relations with members of the Consular Corps of Miami. The Department works with foreign government offices and trade commission offices to find business and cultural opportunities that are mutually beneficial and works closely with the Consular Corps to accomplish this goal. The Department serves as liaison to the city's International Affairs Coordinating Council (IACC). Additionally, the Department works directly with the international business community, and particularly with the new to market companies to help them navigate the City's and County's regulatory process.

Technological Integration

The Department, in cooperation with the City's Innovation Officer, is leveraging its national Smart City status to attract tech-focused companies and startups to Coral Gables. The Department has sponsored a series of workshops, conferences, and other related activities with partners such as Google, the University of Miami and cyber security experts from Silicon Valley, to increase the digital literacy of the business community in a rapidly evolving tech ecosystem. The Department also works with the City's Innovation Officer to market Coral Gables to tech and fintech companies.

Department Goals:

The City of Coral Gables Economic Development Department has adopted the following goals to guide the operations of the organization in the utmost professional and cost-effective manner consistent with the City's economic development mission.

1. To create an integrated business-friendly environment guided by an experienced, multi-disciplinary professional staff supportive of new business ideas including the application of smart city technology for small businesses to be more resilient during economic downturns and/or crisis.
2. To attract businesses to our community and providing them location assistance and permitting assistance once they have made the decision to come to Coral Gables.
3. To create a retail friendly environment, promoting the downtown to other communities and attracting businesses in line with the City's retail strategy.
4. To proactively participate as a technical resource during the preparation, negotiation, and implementation of development agreements and/or public/private partnerships that will have positive economic impacts in the community, such as new development or redevelopment projects.
5. To proactively participate with the city's regional and local partners (e.g., Select Florida, Miami-Dade Beacon Council, Endeavor Miami, Foreign Trade Commission, Chambers of Commerce, Regional Planning Council, Foreign Consulates and Universities) to create new jobs and business opportunities in the city's core industries.
6. To complete the citywide economic study to support the implementation of the "City's Corporate Strategy" and further the implementation of the "City's Corporate and Retail Strategy."
7. To proactively work with local business associations and economic development agencies to retain and/or expand the operations of local businesses.
8. To help promote our downtown and existing businesses through events and campaigns that attract additional foot traffic to the area.

Parking and Mobility Services

Department Function:

The Parking and Mobility Services Department is responsible for the operation and maintenance of the City's on-street and off-street parking facilities including parking lots, garages, and all managed on-street spaces. Management of the public parking system is accomplished through permit sales, parking enforcement, facility maintenance and revenue collection. Parking permits are sold for use in off-street facilities, residential parking zones, and for valet parking. Parking enforcement is provided to ensure the appropriate, safe, and efficient use of the public parking resources. Maintenance is provided for all parking facilities to ensure they are clean and in good operating condition. In addition, as part of the overall maintenance program Parking oversees the cleaning and maintenance of Miracle Mile and Giralda Plaza. Revenue collection services are provided through cashiering, pay by phone, automated payment systems and a money room that provides accounting and deposit services. Parking also has oversight of the City's public transportation system, including the daily trolley service, our new on-demand Freebee point to point service, and the Micromobility program (electric scooters). Our goal is to ensure that these mobility systems provide the best service possible within existing budgetary constraints. Finally, the City's sustainability and resiliency program is located within Parking and is focused on reducing the city's operational impacts on the environment. This includes reducing city operational and community wide electricity, fuel, waste, water, and greenhouse gas emissions. The program also oversees water quality initiatives and sea level impacts. The Sustainability Program also includes overseeing the City's Keep Coral Gables Beautiful Program which focuses on implementing programs, policies and events focused on recycling, litter prevention, and sustainability.

Department Goals:

1. Increase utilization of public parking spaces in garages.
 - Provide APPs and way-finding that show occupancy levels and rates
 - Maintain a rate structure that encourages use of parking garages
 - Provide a validation program available for downtown merchants
 - Maintain clean, well-lighted, and safe parking facilities and public areas
2. Reduce Vehicle Miles Traveled in Central Business District.
 - Provide circulator, micro transit, and last mile service to support regional transit
 - Use marketing, Apps, and wayfinding to reduce search times for transit rides and parking
 - Notify customers where parking supply is available
 - Support the downtown streetscape and walkability
3. Improve customer experience in City operated parking facilities.
 - Provide easy to use payment methods that allow multiple forms of payment
 - Maintain clean, well-lighted, and safe parking facilities
 - Enable customers to easily access parking system information
4. Support small scale and infill development consistent with City's development goals.
 - Develop additional public parking where needed
 - Manage existing public parking spaces efficiently for priority customers
 - Support alternative transportation and micro-mobility

5. Increase Trolley and Transit Ridership.
 - Manage a rider interface that provides stop arrival information and tracks headways.
 - Establish micro-transit and connector services to support Ponce circulator.
 - Reduce headways and maintain high quality fleet vehicles.

6. Reduce electricity, fuel, water, waste, and greenhouse gas emissions.
 - Implement policies and programs focused on reducing natural resource usage.
 - Work with other city departments and the community (residents, businesses, visitors) to reduce community wide natural resource usage.

7. Continue growing Keep Coral Gables Beautiful Program
 - Implement and hold community events/programs/policies focused on litter reduction, recycling, and sustainability
 - Track volunteers, pounds of litter collected, etc.

8. Implement and track City Electric Vehicle Charging Infrastructure Strategy.
 - Track number of charging sessions, etc. for existing infrastructure
 - Build out map/policy for new proposed infrastructure

PARKING

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS

- ✓ Opened a new public parking garage at 254 Minorca Avenue next to the Public Safety Building. This 452-space garage services North Ponce de Leon businesses and residents. It has 26 EV charging ports and an automated parking guidance system that monitors vehicles in the facility.
- ✓ Trolley Saturday Express Service connecting the Riviera neighborhood to downtown Coral Gable was provided as a pilot project to evaluate the efficacy of a permanent service from the area around Sunset Drive and Red Road into the Central Business District. The pilot program ended on August 10th and transported 1936 passengers.
- ✓ Trolley ridership is on track to reach pre-pandemic levels with total passengers expected to exceed 1.04 million for FY24. Saturday ridership continues to increase with an average exceeding 1,500 passengers each day.
- ✓ Acquired new parking and revenue control system that includes a closed-circuit camera system, that monitors all entrances and exits in the new Minorca Garage.
- ✓ Executed a new contract with FREEBEE to convert Coral Gables' CBD ride-sharing vehicle to Tesla EV's model X. The new contract includes a subsidy from FDOT that will cover approximately 50% of the cost of this pilot project. Ridership exceeded 70,000 passengers in FY24. New hours of service were implemented to meet peak ridership and helped to contribute to the increase in passengers.
- ✓ Upgraded striping of on-street, surface lot and garage parking spaces within City of Coral Gables.
- ✓ Expanded Centralized Valet within the CBD to provide service to several new restaurants that opened during FY 2024.
- ✓ Profundity-one pay stations to replace more single space meters and older models within the existing inventory of 250+ pay stations.
- ✓ Removed two hundred (200) single space meters, providing for a more open and uncluttered sidewalk and improved pedestrian experience.

FISCAL YEAR 2024 MAJOR ACCOMPLISHMENTS – (Continued)

- ✓ Completed lot improvements at Parking Lots 8, 12, 16 and 17. Lot improvements included new lighting, landscaping, pavement, eight EV charging ports and new ADA parking spaces.
- ✓ Completed Garage 6 generator relocation and conversion of old generator room into commercial trash room for new Tenant.
- ✓ Sponsored 65 events with approximately 15,000 participants as part of the Keep Coral Gables Beautiful Program. Through these events we picked up over 158,000 pounds of litter and recycled over 35,000 pounds of batteries and electronic waste.
- ✓ Installed 26 new level 2 charging ports in the new Minorca garage, the city now has 58 public charging stations. In FY24 the city had over 14,532 sessions, diverted 144,979 kg of greenhouse gas emissions in the first 8 months.
- ✓ Accepted two (2) grants from the Keep America Beautiful program. The Great American Cleanup Grant provided one hundred cleanup kits for our litter kit program and the Cigarette Litter Prevention Program Grant will provide twelve cigarette receptacles for us to start our own cigarette litter collection program.
- ✓ In May 2024, Keep Coral Gables Beautiful launched a new program plastic bag and film recycling program in partnership with Nextrex and Sprouts. Since the inception of the program, 140 pounds have been successfully collected and recycled. This is on track for the 500-pound goal within the first year for the program.

Action Plan Worksheet

Action Plan Owner: Kevin Kinney, Parking Director

Action Plan Name: 1.3.1-1 Increase participation in alternative mobility options and integrate with parking management and operations systems

Strategic plan alignment (Supports which Objectives and Goals)

- Objective 1 – Customer-focused Excellence: Provide exceptional services that meet or exceed the requirements and expectations of our community
 - Goal 1.3 – Improve mobility and safety throughout the city by reducing the intensity of traffic

KEY tasks that must be accomplished, deliverables, and measures of success (Plan of Actions/Milestones)

What must be done	By When	How will it be evident
Issue RFP of City-wide parking and mobility master plan	10/31/25	Contract Issued
Expand frictionless (non-cash, no stop) parking and mobility option (on-going)	03/31/25	Additional cashless options for parking and mobility customer transactions
Completed City-wide parking and mobility master plan	06/30/26	Commission approval of master plan with implementation steps
Increase alternative mobility options	09/30/26	Minimum of 4 alternative mobility options available
Unified dashboard of parking and mobility operations	09/30/25	Single site management portal for parking and mobility operations
Integration of IoT concepts into parking and mobility operations and systems	09/30/25	Data and services trackable in IT Smart Cities portal
Increase in EV Charging Infrastructure to 120 Charging Ports	09/30/25	Ports will be listed on Chargepoint and City websites.
Increase Customer searches using of Parkme or Alternative Apps to find Parking	12/31/26	Data from applications

Resource requirements (what do we need to succeed?)

- Time (of the project team members and others as appropriate – examples below):
 - Informatics Person –
 - Program / Subject Matter Experts –
- Finances (detailed listing of expected costs):

\$ Amount	Purpose
\$ 250,000	Parking and Mobility Master Plan
\$ 200,000	Enterprise Management System for Parking/Mobility
\$ 450,000	Total

- Technology:
 - 20 Hours a month to review available systems and technology for implementation and integration.

- Knowledge/Training:
 - All staff – 200 hours of training for new systems

Short- & Longer-term measures of success, targets and / or time horizons

Measure	Target	Date

Number of EV charging ports	120	12/31/25

Percentage of Customers using Parkme or Alternative Apps to find Parking	20% increase over 2022 baseline	12/31/25
--	---------------------------------	----------

Frequency & venue of review

- Bi-Weekly review by Master Plan Steering Team.
- Quarterly reports to City Manager.

Who are the stakeholders / what is the anticipated impact on them?

Stakeholder Group	Potential positive impact	Potential negative impact
Workforce	Reduced level of effort required	Reduction in level of effort may necessitate other personnel actions (reassignment, task consolidation, etc.)
Informatics	Additional workload	Level of effort and other resources associated with integrating Enterprise Management System for Parking/Mobility are not available for other initiatives
Sr. Leadership	Improved situational awareness through consolidation of traffic and revenue data	Level of effort and other resources associated with integrating Enterprise Management System for Parking/Mobility are not available for other initiatives
Commissioners	Improved tax base within the CBD	None
Customers	Easier driving or moving within the CBD	None

What are the positive and negative financial impacts (costs / benefits and return on investment)?

- Money:
 - Costs: \$450,000
 - Benefits: \$300,000
 - Return on investment will occur within strategic planning timeline
- Other benefits:
 - Improved customer satisfaction

The Motor Pool Fund is used to account for the acquisition, operation and maintenance of the automotive and miscellaneous equipment used by City departments. The funding to acquire the equipment is provided by charging the user departments an annual fee based on the estimated useful life of each piece of equipment. Similarly, the operation and maintenance costs are allocated to the user departments by charging an annual rental fee for the equipment. Rental fees are updated annually by the maintenance staff based on detail records kept for each item of equipment.

BUDGET GLOSSARY

Accrual Basis of Accounting - The basis of accounting under which revenues are recorded when earned and expenditures are recorded when goods are received and services performed even though the receipt of the revenue or the payment of the expenditure may take place, in whole or part, in another accounting period.

Ad Valorem Taxes (Property Taxes) - A tax levied on the assessed value of real and personal property.

Appropriation - A legal authorization granted by the City Commission to make expenditures and to incur obligations for specific purposes.

Assessed Valuation - The pre-exemption value (Assessed Value – Exemptions = Taxable Value) of land, buildings, and business inventory and equipment as determined on an annual basis by the County Property Appraiser in accordance with State Law.

Balanced Budget - A budget in which estimated revenues and other available funds equal or exceed estimated expenditures.

Bonds – A certificate of debt issued by a government or corporation guaranteeing payment of the original investment plus interest by a specified future date.

Budget - A plan of financial operation, embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Upon approval by the City Commission, the budget appropriation ordinance becomes the legal basis for expenditures in the budget year.

Budgetary Accounts - Accounts used to enter the formally adopted annual operating budget into the general ledger as part of the management control technique of formal budgetary integration.

Budget Message - The opening section of the budget document which provides a general summary of the most important aspects of the budget and discusses significant changes from the current and previous fiscal years.

Capital Budget - The plan for the construction, rehabilitation or purchase of a capital asset. Coral Gables' capital budget is multi-year in nature with the first year for appropriation authorization incorporated into the overall annual budget process. Capital projects often extend beyond the fiscal year in which the project is first approved. Therefore, the City either appropriates the entire project cost in the initial fiscal year or identifies annual phases which may be approved in future years if funding is available.

Capital Outlay - An expenditure category for construction equipment, vehicles or machinery that results in the acquisition or addition to the City's fixed assets.

Capital Improvement Program (CIP) – The City's capital investment strategy for the Budgeted year and for the following five year period. The CIP is a comprehensive picture of the City's capital needs within the five year period and facilitates long-term budget planning.

Debt Service - The City's obligation to pay the principal and interest of all bonds and other debt instruments according to a predetermined payment schedule.

Delinquent Taxes - Taxes that remain unpaid after the date on which a penalty for nonpayment is attached.

Department - An organizational unit responsible for carrying out a major governmental function.

Debt Service - Payments of principal and interest on borrowed funds such as bonds.

Division - The second level in the formal City organization in which a specific function is carried out; several divisions may comprise a single department.

Enterprise Fund - A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures. Enterprise funds are established for services such as parking and golf courses.

Equivalent Residential Unit (ERU) - An ERU is a unit of measure used to equate non-residential or multi-family residential water usage to a single-family residence. One ERU is equal to average consumption of one single family residence. The quantity of water that makes up an ERU is system specific. The ERU level for one system may not apply to another system with differing demographics or water use patterns.

Estimated Revenue - The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by the Commission.

Expenditures - The outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid.

Fiduciary Fund - A fund used to account for the revenue and expenditures of beneficiary accounts held in trust for a group of individuals, e.g. employee pension.

Fiscal Year - A 12 month period to which the operating budget applies. For Coral Gables it begins October 1 and ends September 30.

Franchise Fee - A fee paid by public service businesses for use of City streets, alleys and property in providing their services to the citizens of a community. Services requiring franchises include electricity, telephone, natural gas refuse, and cable television.

Fund - An accounting entity with a self-balancing set of accounts which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with specific regulations, restrictions or limitations.

Fund Accounting - The legal requirement for Governmental agencies to establish accounts for segregating revenues and other resources, together with all related liabilities, obligations, and reserves, for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Fund Balance - The fund reserve of governmental funds.

General Fund - Used to account for the general operations of the city and all transactions that are not accounted for in other funds.

General Obligation Bonds - Bonds that finance a variety of public projects such as streets, buildings, and improvements; these bonds are backed by the full faith and credit of the issuing government.

Goal - A broad statement of desired conditions to be achieved through the efforts of an organization.

Governmental Fund - Funds through which most general government functions are financed.

Grant - A contribution made by one governmental unit to another. The contribution is usually made to aid in the support of a specified function but it is sometimes for general purposes.

Interfund Transfers - Amounts transferred from one fund to another.

Intergovernmental Revenues - Revenues from other governments (state, federal, and local) which can be in the form of grants, shared revenue, or entitlement.

Internal Service Fund - Fund used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit on a cost-reimbursement basis.

Levy - To impose taxes, special assessments, or service charges for the support of City activities.

Local Option - Voted by local referendum.

Line Item - A specific item or group of similar items defined by detail in a unique account in the financial records. Revenue and expenditure justifications are reviewed, anticipated and appropriated at this level.

Long-Term Debt - Debt with a maturity of more than one year after the date of issuance.

Millage Rate - The millage rate is the rate of taxation for every thousand dollars of assessed value, i.e., 1 mill equals \$1.00 of tax for each \$1,000 of property value and 2.5 mills equals \$2.50 of tax for each \$1,000 of property value, etc.

Modified Accrual Accounting - A basis of accounting in which revenues are recorded when collectable within the current period or soon enough thereafter to be used to pay liabilities of the current period, and, expenditures are recognized when the related liability is incurred.

Object Code - An expenditure category, such as Personnel Services, Operating Expenses and Capital Outlay.

Operating Budget - A financial plan which presents proposed expenditures for the fiscal year and estimates of revenue to finance them.

Operating Expenses - Expenditures associated with the general operation of a department such as office supplies, vehicle fuel, rent, utilities, etc.

Operating Revenues - Income derived from sources related to the City's everyday business operations.

Ordinance - A formal legislative enactment by the council or governing body of a municipality that has the full force and effect of law within the enacting City.

Performance Measures - The annual adopted budget for each department includes performance measures to identify the planned target levels for services in the fiscal year. The measures are also reported for prior years to allow comparison and evaluation. Performance measures include workload indicators and performance effectiveness measurements.

Personal Services - An expenditure category which includes wages, salaries, retirement, and other fringe benefits.

Property Tax Levy - The value derived by multiplying the property tax millage rate by the Taxable Value of property in the City.

Property Tax - Tax paid on the Taxable Value (Assessed Value – Exemptions = Taxable Value) of land, buildings, business inventory or equipment.

Reserve - An account used to indicate that a portion of a fund's balance is restricted for a specific purpose and is, therefore, not available for general appropriation.

Resolution - A special or temporary legislative order requiring less legal formality than an ordinance/statute.

Retained Earnings - The accumulated earnings of an Enterprise or Internal Service Fund that have been retained in the fund and that are not reserved for any specific purpose.

Revenue - Funds that the government receives as income. It includes such items as tax payments, fees for specific services, receipts from other governments, fines, forfeitures, grants, shared revenues and interest income.

Service Level - Workload accomplished to a specific standard within a specific time span in order to generate the total gross amount of product or service to be provided.
